Team GCCI Message

સ્નેહી મિત્રો,

જી.સી.સી.આઈ. ના આપણા આ મુખપત્રના પ્રકાશન સમયે આપ સૌનું અભિવાદન કરું છું તેમજ કોરોના પેન્ડેમિકના આ કપરા સમયે આપ સૌની સુખાકારી તેમજ આપના વ્યાપાર-વ્યવસાયની સફળતા માટે ખૂબ ખૂબ શુભેચ્છા વ્યક્ત કરું છું.

કોરોના પેન્ડેમિકની મધ્યમાં પણ જી.સી.સી.આઈ. તેમજ આપણી અલગ-અલગ કમિટીઓ દ્વારા અનેકવિધ પ્રવૃત્તિઓ સંપન્ન થયેલ છે તેમજ સાથે-સાથે ચેમ્બર્સના આપણા સભ્યશ્રીઓ તેમજ વ્યાપાર-ઉદ્યોગ સાથે સંકળાયેલ વ્યક્તિઓના પ્રશ્નો તેમજ તકલીફો પણ આપણે સરકારશ્રી સમક્ષ રજૂ કરતા રહ્યા છીએ તેમજ સુંદર પરિણામો મેળવી શક્યા છીએ, જે પરત્વે આપ સૌના સુંદર સહકાર માટે આપનો આભાર માનું છું.

આપણી ગત પ્રવૃત્તિઓમાં ખાસ નોંધ લેવા માગુ છું, કોવિડ પેન્ડેમિક સંદર્ભમાં જ આપણા પદાધિકારીઓની પોલીસ કમિશનરશ્રી સાથેની મિટિંગ તેમજ ડાયરેક્ટર જનરલ ઓફ પોલીસ સાથેની વર્ચુઅલ મિટિંગ, આપણી દુબઈ ચેમ્બર્સ સાથેની મિટિંગ, યુગાન્ડા હાઈ કમિશન પ્રતિનિધિમંડળ સાથેની મિટિંગ, બાંગ્લાદેશ નિકાસ અંગેનો આપણો વેબિનાર, ક્લાઉડ કોમ્પ્યૂટિંગ માસ્ટર ક્લાસ, પોસ્ટ કોવિડ પેન્ડેમિકની યુનિટેડ કિંગડમ પર પડેલ અસર અંગે એન.આર.જી. દ્વારા આયોજિત કાર્યક્રમ, આપણો ધોલેરા આંતરરાષ્ટ્રીય એરપોર્ટ અંગેનો વેબિનાર અને ખાસ તો આપણી બિઝનેસ વુમન વિંગ કમિટી તેમજ આપણી યુથ વિંગ દ્વારા થયેલ અનેકવિધ પ્રવૃત્તિઓ. ઈનોવેશન પ્રવૃત્તિ પર ભાર મૂકતી આપણી પ્રવૃત્તિ ગર્લ્સ ઈનોવેશન સેન્ટરના ભૂમિપૂજનની પણ આ તબક્કે નોંધ લઉં છું.

મિત્રો, આપણે સૌ જાણીએ છીએ તેમ ગુજરાત રાજ્ય તેમજ દેશના આર્થિક તેમજ ઔદ્યોગિક વિકાસમાં અનેકવિધ સ્ટાર્ટ-અપ એકમો અદ્વિતીય ભૂમિકા ભજવી રહ્યા છે અને ભવિષ્યમાં પણ ભજવવાના છે. આપણે જી.સી.સી.આઈ. ખાતે પણ તે જ કારણથી સ્ટાર્ટ-અપ એકમોને મદદરૂપ થાય તેવી અનેકવિધ પ્રવૃત્તિઓ ગત સમયમાં આયોજિત કરેલ છે તેમજ મને જણાવતાં

ખૂબ જ આનંદ થાય છે કે આપણો વર્તમાન અંક પણ “સ્ટાર્ટ-અપ” એકમોને ધ્યાનમાં રાખીને તૈયાર કરેલ છે. મને ખાતરી છે કે આપણા સૌ માટે આ અંક ખૂબ જ રસપ્રદ તેમજ માહિતીસભર સાબિત થશે.

આપણી સ્ટાર્ટ-અપ કમિટી તેમજ યુવા કમિટી દ્વારા એક સુંદર વેબિનારનું આયોજન થયેલ, જેનો વિષય હતો-“સ્ટાર્ટ-અપમાં રોકાણ એક સુંદર તક”. આ વિષય પરની ચર્ચામાં જે નામાંકિત વિશેષજ્ઞોએ ભાગ લીધો તે હતા સિલિકોન કમ્પ્યૂટેક્ના શ્રી મુનીર ઠાકોર તેમજ પી.સી.બી. પાવર માર્કેટ એન્ડ સર્કિટ સિસ્ટમ્સ પ્રાઇવેટ લિમિટેડના સી.ઈ.ઓ. શ્રી પરેશ વસાણી. આ સમગ્ર કાર્યક્રમનું સંચાલન આઈ-કીએટ કંપનીના સી.ઈ.ઓ. શ્રી અનુપમ જલોટાએ કરેલ. ઉપરોક્ત વક્તાઓએ ખુબજ સુંદર માહિતી પુરી પાડેલ.

સ્ટાર્ટ-અપ તેમજ ઈનોવેટિવ કમિટી દ્વારા આયોજિત “સ્ટાર્ટ-અપ શ્રૂ મેન્ટોર બોક્સ” અંગેનો પરિસંવાદ પણ ખૂબ જ રસપ્રદ બની રહ્યો. આ પરિસંવાદમાં પાંચ સ્ટાર્ટ-અપ એકમોએ પોતાનાં ઉત્પાદનો કમિટી સમક્ષ પ્રસ્તુત કરેલ તેમજ કમિટી અને ચેરમેનશ્રી અમિતભાઈ પરીખે આ અંગે તમામ પ્રકારનો માર્કેટિંગ સહકાર આપવાની ખાતરી આપેલ. ચેરમેનશ્રીએ જી.સી.સી.આઈ. વતી તે બાબતની પણ ખાતરી આપેલ કે તેઓને કારોબારીની મિટિંગમાં આમંત્રિત કરવામાં આવશે, જેથી તેઓ પોતાના વિચારો તેમજ ઉત્પાદનોની પ્રસ્તુતિ કારોબારીના મિત્રો સમક્ષ પણ કરી શકે.

આપણી સ્ટાર્ટ-અપ કમિટી તેમજ યુવા વિંગ અને બિઝનેસ વિમેન વિંગ કમિટી દ્વારા એક સુંદર કાર્યક્રમ આયોજિત થયેલ, જેનો વિષય હતો “આત્મનિર્ભર નારી-એક વિદ્યાર્થીનીની સફળ મહિલા ઉદ્યોગકાર સુધીની સફર”. આ એક શૃંખલારૂપ પ્રવૃત્તિ બની રહી, જેમાં આપણને આઈ-હબ કંપનીનો સુંદર સહકાર મળ્યો. આ સમગ્ર શૃંખલાની શરૂઆત પ્રસંગે અતિથિવિશેષ તરીકે જે પોતે એક સફળ ઉદ્યોગકાર છે તેવાં આપણી એપેરલ તેમજ મેઈડ-અપ ટાસ્ક ફોર્સનાં ચેરપર્સન શ્રીમતી મીનાબેન કાવિયાએ ઉપસ્થિત રહી ખૂબ જ સુંદર પ્રોત્સાહન પૂરું પાડ્યું.

અલગ-અલગ પેનલ ચર્ચાઓમાં ભાગ લેનાર સ્ટાર્ટ-અપ તેમજ તેના ઓનર્સ હતાં લીબેજ એલ.એલ.પી. ના સારિકાબેન ચિત્રોડિયા, ડિબેલોનાં મેનકાબેન ગુરનાની, સેન્ક્યુરી ઈનોવેટિવ સેફ્ટી ઇક્વીપમેન્ટનાં હેતિકાબેન શાહ તેમજ આઈ-કીએટનાં કન્સલ્ટન્ટ તેજશ્રીબેન શાહ.

આત્મનિર્ભર નારી-વિદ્યાર્થીનીથી ઉદ્યોગકારની સફળતાની આ શૃંખલામાં દ્વિતીય પ્રસંગે આયુરનેટ હેલ્થ કેરનાં ડાયરેક્ટર કુસુમબેન કૌલ કે જેઓ આપણી બિઝનેસ વિમેન વિંગ કમિટીનાં કો-ચેરપર્સન પણ છે તેઓ ઉપસ્થિત રહેલ. આ પ્રસંગે જે સ્ટાર્ટ-અપે ભાગ લીધેલ તે હતાં બેબે બર્પ તેમજ ફાઉન્ડર શ્રુતિબેન ટીબરેવાલ, જીની ફૂડ્સ તેમજ ફાઉન્ડર જિયાબેન રાજવંશી તેમજ નિરેક્સ ટેકોલોજી તેમજ ફાઉન્ડર નિકિતાબેન તિવારી ઉપસ્થિત રહેલ. આ પરિસંવાદનું સંચાલન આરજેપી વેન્ચર એન્ડ પ્રોજેક્ટસનાં પાર્ટનર રત્નાબેન જાનીએ કરેલ.

આ જ કાર્યક્રમની ત્રીજી શૃંખલામાં અતિથિવિશેષ હતાં ન્યૂ એજ એક્સલન્ટ ટ્રેનિંગ સેન્ટરનાં ફાઉન્ડર નીતાબેન શાહ તેમજ પરિસંવાદમાં ભાગ લેવા ઉપસ્થિત રહેલ ઓલ્ટમેટનાં સ્થાપક શીખાબેન શાહ તેમજ રાઉન્ડ-અમ્બ્રેલાનાં સ્થાપક શિવાનીબેન ચક્રવર્તી અને અલગલીઓ બાયોટેકનાં સ્થાપક અમીબેન પટેલ. આ પરિસંવાદનું સંચાલન નામાંકિત ઈમેજ કન્સલ્ટન્ટ તેમજ સોફ્ટ-સ્કલ કોચ સ્વપ્નાબેન સાઈ દ્વારા થયેલ.

આપણો એબીસી ઓફ સ્ટાર્ટ-અપ ઈન્વેસ્ટમેન્ટનો વેબિનાર પણ ખૂબ જ સફળ રહેલ.

આપણી સ્ટાર્ટ-અપ તેમજ એગ્રિકલ્ચર કમિટી દ્વારા પણ સુંદર વેબિનારનું આયોજન થયું, જેનો વિષય હતો ‘મીટ ધી મેન્ટોર્સ’. આ પ્રસંગે ખેતીવાડી ઉદ્યોગ સાથે સંકળાયેલ ઘણા નિષ્ણાતોએ પોતાના અનુભવ તેમજ જ્ઞાનનો લાભ સ્ટાર્ટ-અપ એકમોના ઓનર્સ સમક્ષ પ્રસ્તુત કરેલ.

આ પ્રસંગે ઉપસ્થિત નિષ્ણાતો હતા નબવેન્ચર, મુંબઈના શ્રી મણિકુમાર, ફૂડ પ્રોસેસિંગ ટેકનોલોજી કોલેજના ડીન તેમજ પ્રિન્સિપાલ ડૉ. સુથાર, હોર્ટિકલચર, ગાંધીનગરના જોઈન્ટ ડાયરેક્ટર ડૉ. સી.એમ.પટેલ, નાબાર્ડના પૂર્વ ડી.એમ.ડી ડૉ. એચ.આર.દવે, જૂનાગઢ એગ્રિકલ્ચર યુનિવર્સિટીના પૂર્વ ઉપકુલપતિ ડૉ. એ.આર.પાઠક, ગુજરાત એસોસિયેશન ફોર એગ્રિકલ્ચર સાયન્સના મંત્રીશ્રી ડૉ કે.જી.મહેતા, આપણી જી.સી.સી.આઈ. એગ્રિકલ્ચર કમિટીના કો-ચેરમેન શ્રી અશ્વિનભાઈ નાયક, પેપ્સિકો ઈન્ડિયા હોલિંગ્સના જનરલ મેનેજર શ્રી સંદીપભાઈ ઝેડે, સફળ ખેતીકાર શ્રી શાંતિભાઈ તેમજ માંડલ એ.પી.એમ.સી. ના ચેરમેન શ્રી ડી.આઈ.પટેલ. આ તમામ નિષ્ણાત તેમજ અનુભવી મિત્રોનું અભિવાદન કરું છું.

મિત્રો, આપણી સ્ટાર્ટ-અપ તેમજ ઈનોવેશન કમિટી ખૂબ જ કાર્યરત રહેલ છે. તેઓનું લક્ષ્ય માત્ર સેમિનાર તેમજ પરિસંવાદ વગેરેનું આયોજન કરવા પૂરતું જ ન રહેતાં તેઓ અનેકવિધ સ્ટાર્ટ-અપ એકમોને મદદરૂપ થવા પણ ખૂબ જ અગ્રેસર રહેલ છે તે માટે કમિટીના ચેરમેનશ્રી અમિતભાઈ પરીખ, કો-ઓર્ડિનેટર શ્રી નીરજભાઈ શાહ અને મિસ. તેજશ્રીબેન શાહ તેમજ સભ્યશ્રીઓનું અભિવાદન કરું છું.

જી.સી.સી.આઈ. સાથે સંકળાયેલ તમામ સ્ટાર્ટ-અપ એકમો તેમજ તેના ઓનર્સને આપણા સંપૂર્ણ સહકારની ખાતરી આપું છું. રાજ્ય તેમજ કેન્દ્ર સરકારશ્રી દ્વારા સ્ટાર્ટ-અપ એકમો માટે અનેકવિધ પ્રોત્સાહન જાહેર કરેલ છે, જેનો લાભ મેળવવા આપ તમામ માહિતી ચેમ્બર્સના આપણા હેલ્પ ડેસ્ક પરથી મેળવી શકો છો.

સૌ મિત્રોની સફળતા તેમજ સ્વાસ્થ્યની પ્રાર્થના સાથે.

GCCI in Action

Session on “ATMANIRBHAR NARI” - Dt. 07-05-2021

The very idea of bridging the gender gap is easier said than done, but the Gujarat Chamber of Commerce and Industries decided to do just that. The Start-up and Innovation committee in collaboration with the BWWWC and the Youth Wing came together to provide women entrepreneurs with a platform and scope required to succeed. A series has been launched with the support of i-Hub to bring forth selected women entrepreneurs of Gujarat using this platform. The intention of which is primarily to showcase successful innovative start-ups and creating awareness about their products as a medium to get new customers. This series also is intended to serve as an inspiration for ladies who dream of starting a new business and create general awareness for start-up enablers and supporters. This series was launched on the 7th of May-2021 via an experience sharing session/webinar.

Aptly named **ATMANIRBHAR NARI** it highlights the Journey of the woman entrepreneur from a Student to a Successful Woman Entrepreneur.

The Guest of Honour for this session was Ms. Meenaben Kaviya, Director- Ayma Creations, Chairperson- Apparel and Madeups Task Force, GCCI. She admired women for the difficult balancing act that they do when they take up entrepreneurship and encouraged them to succeed.

The first panel discussion session introduced the following three startups

1. Name of Start-up: LYMBEDGE LLP

Founder: **Ms. Sarika Chitrodiya**

Product: Teleconsultation support in healthcare domain

2. Name of Start-up: Dbello

Founder: **Ms. Menka Gurnani**

Product: Vegan Vitamin D enriched foods

3. Name of Start-up: Sanctuary Innovative Safety Equipment (4S SHIELD)

Founder: **Ms. Hetika Shah**

Product: NANOFIBRE based virus protective sustainable 4S shield. The panel was moderated by:

Ms. Tejashree Shah, Consultant-iCreate.

Interactive web meeting with the Ahmedabad Police Department - Dt. 07-05-2021

GCCI arranged an Interactive web meeting with the Ahmedabad Police Department on 7th May, 2021 to discuss and find probable solutions for resolving the issues faced by Trade and Industry fraternity of Ahmedabad considering the COVID's second wave situation. Shri Sanjay Shrivastava, IPS, Commissioner of Police, Ahmedabad, Shri Prem Vir Singh, IPS Additional Commissioner of Police (Special & Crime Branch), Shri Rajendra Asari, DCP (West Ahmedabad), Shri Gautam Parmar, DCP (East Ahmedabad) and Shri Harshad Patel, DCP (Control Room) were present in the meeting. Shri Natubhai Patel, President GCCI gave brief information about relief work activities carried out by GCCI including the Oxygen bank and COVID isolation centre setup by GCCI for the Mild and Asymptomatic patients. Various issues faced by trade and industry were discussed in the meeting where GCCI Office Bearers as well as

representatives from 28 Associations participated. The issues related to Transportation, Movement of Goods, Administrative and Security related matters etc. were discussed and practical solutions to many of the concerns were obtained. Members of trade fraternity appreciated the efforts of Police Department for the coordination and smooth functioning of Businesses and Industry.

Meeting with Dubai Chamber International Office-INDIA - Dt. 07-05-2021

Chairman Shri Anil Jain welcomed all the participants and Thanked MR SAMEER NAWANI for giving an opportunity to GCCI to interact with DCIO-India. Chairman Shri Anil Jain gave a brief presentation on History, Vision and activities of GCCI which was appreciated by DCIO. MR SAMEER NAWANI thanked Chairman Anil Jain.

Their major activities: -

Arranging Global Business forum with 3000 to 3500 members and in the year 2019-20 the focus was on Africa and Latin America. For 21-22 the focus is ASIAN countries.

Events – Islamic summit and local business summit - sector specific /area specific.

Delegations-Inviting and visiting – They hosted 1050 delegations in 2019.

Pockets of Opportunities – each geographical sector has its own challenge and advantage. Dubai business people wish to penetrate India in States like MP, North East etc.

Shri Anil Jain named few which are leading at present they are; Pharma, Automobile, Textile and Apparel, Chemicals and Gems & Jewelry, etc.

Shri Samir Shah suggested that in the current situation physical meetings/exhibition is not feasible and hence virtual meetings may be organized for a specific sector.

Mr. Milind Godbole highlighted the scope for business sectors for FINE TECH business, IT & ITES Services etc.

CHAIRMAN Thanked all the participants for their active participation and assured DCIO that GCCI would be too happy and keen to develop trade and business investment at both ends.

GCCI and Regional Chambers' Meeting with Shri Ashish Bhatia, DGP, Gujarat regarding difficulty face by Trade & Industry - Dt. 13-05-2021

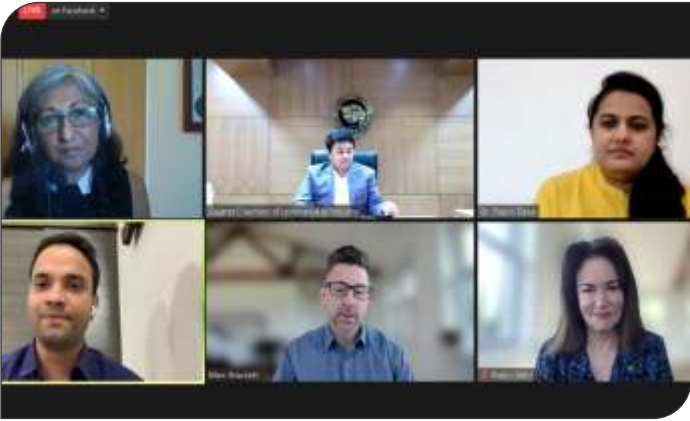

Gujarat Chamber of Commerce and Industry organized an Interactive web meeting of Regional Chambers sand Associations with Shri Ashish Bhatia, IPS, the Director General of Police, Gujarat State on 13th May, 2021 to discuss and find probable solutions for resolving the issues faced by Trade and Industry in view of the mini lockdown imposed in the state due to second wave of COVID 19 pandemic.

Shri Pathik Patwari, Hon. Secretary GCCI, briefly highlighted relief activities done by GCCI and invited the Associations to put forward their issues.

Various issues related to trade and industry were discussed by the Regional Chambers and Association present in this meeting. The issues included matters such as difficulty in routine office work due to closure of shops, supply chain issues faced by industries Transportation issues, Problems in movement of Goods, Interpretation related issues and coordination related matters etc. The participants appreciated the efforts of Police Department to ensure smooth functioning of Trade and Industry during the mini lockdown.

Webinar on Transforming Fear to Power - Dt. 16-05-2021

GCCI Youth Wing in collaboration with Yuva Unstoppable conducted a webinar on transforming fear to power for addressing emotions in these times. The session was conceptualised and moderated by Dr. Prachi Desai. Two of the international speakers Dr. Marc Brackett and Dr. Robin Stern are Professors and scientists from Emotional Intelligent center, Yale University, USA. Third speaker Mrs Ameeta Sanghavi

Shah is a transpersonal physiotherapist based in Mumbai.

Dr. Marc author of “Permission to Feel” and many other books explained the RULER principal which helps in identifying the emotions and dealing with it. He also said that we need to have self compassion and if we are able to deal with our emotions properly, we are able to handle the unpleasant situations our lives easily.

Dr Robin stern author of “The Gaslight effect” and many other books when asked how to deal with sudden loss of loved ones she answered that it is not east but they can channel the love that they feel for the lost loved one by doing some good work in their memory.

Ameeta Sanghavi Shah said that theres a difference between being cautious and fearful, as fear can also affect health and immunity. Also no emotion is good or bad; we need to know how to deal with them.

An Awareness Session on ABCs of Startup Investment - Dt. 21-05-2021

After a successful seminar on awareness about a new way of investment: Investing in Startups-an opportunity, a follow-up event was organized on the 21st of May-2021 in collaboration with iCreate-International Centre for Entrepreneurship and Technology. The aim of this event it was to sensitize high net worth individuals and interested individuals about the basic understanding of how start-up investment works. This event brought a lot of clarity about the start-up ecosystem and how to become an

angel investor. The event was attended by 75+ individuals with illustrious personalities from the start-up world addressing various topics. The event commenced with Shri Pathik Patwari, Hon. Secretary of GCCI, welcoming the guests as well as the participants and then pledging allegiance to creating a better start-up industry connect on behalf of GCCI. The details of the Start-up Landscape of Gujarat was shared by the Joint Commissioner of Industries, Shri D. R. Parmar touching briefly on various schemes

available to start-ups. Shri Anupam Jalote, CEO-iCreate addressed the session Fundamentals of investing into start-ups. GCCI and JITO Organised Blood Donation Camp - Dt. 14-06-2021

Gujarat Chamber of Commerce and Industry jointly with JITO organised Voluntary Blood Donation Camp on 14th June, 2021 on the occasion of World Blood Donor Day On the occasion of World Blood Donor Day on 14th June, 2021, Gujarat Chamber of Commerce and Industry jointly with JITO organised Voluntary Blood Donation Camp at GCCI.

The stock with blood banks has decreased due to large population being infected with COVID-19 and others who have recently been vaccinated. It is therefore important to encourage people to donate blood as much as possible. It is with this objective that the blood donation camp was organised. GCCI also appealed to its member associations to organize similar Blood Donation Camps at their respective locations and many associations came forward and organised camps.

Shri Natubhai Patel, President and other office bearers of GCCI along with Youth Wing Committee members and Business Women Wing Committee members remained present in the opening ceremony.

Refreshments and blood donations certificates were provided to the donors by GCCI.

Meeting with Industries Commissioner Dr. Rahul Gupta, IAS to discuss the various issues face by Industry - Dt. 25-06-2021

GCCI held a meeting with Industries Commissioner, Dr. Rahul Gupta, IAS and Shri A. V. Shah, Member Secretary on 25th June, 2021, GPCB to discuss the various issues of Regional Chambers and Association Members pertaining to GIDC, MSMEs and GPCB.

Shri Hemant Shah, Senior Vice President, GCCI in his opening address appreciated the positive approach of Industries Department under the leadership of Dr. Rajiv Kumar Gupta, to reach out the industries to discuss and resolve the issues in a time bound manner.

Shri Pathik Patwari, Hon. Secretary, GCCI coordinated the discussions.

Issues received from industry associations such as Sanand, Vatva, Ankleshwar, Chandisar, Nandesari, Dahej, Saykha, Veraval and all the regional chambers

of GCCI were discussed at length during the meeting and it was lasted for more than 2 hours.

Dr. Rahul Gupta heard all the issues patiently and assured associations that from the next week Officials of Industry Department will start visiting associations across the Gujarat to resolve the issues.

Shri K.I. Patel, Vice President, GCCI stated in his vote of thanks that members of GCCI welcome the initiative taken by Dr. Rajiv Kumar Gupta, IAS, Additional Chief Secretary, Industries & Mines Dept. of holding the continuous round of meetings as soon as he has taken over the charge of Industry and Mining Department and he expressed his gratitude towards Industries Commissioner, Dr. Rahul Gupta for his positive approach.

Webinar on Cloud Computing Masterclass - Dt. 28-06-2021

As technology becomes a critical enabler of business especially during these times of COVID-19, business leaders must understand these technologies and their impact on any companies' top line and bottom line. Cloud computing is the underpinning technology over which all these other technologies would run.

In this context, NASSCOM is embarking on a year-long CLOUD ADVOCACY PROGRAM that aims to build awareness of Cloud Computing among CXOs of buy-side enterprises and arm them with an understanding of this technology to help them adopt and accelerate on their cloud journey.

Youth Wing – Business Pathshala-2 - Dt. 29-06-2021

Leading members of the logistics industry Mr. Anil Radhakrishnan founder of Accex Supply Chain, Dr. Pramod Sant, South Asia Head of Export and Import for Siemens and Mr. Samir Shah partner at JBS group of companies were the speakers at the event.

The purpose of the event was to help the young entrepreneurs understand the importance of logistics as a tool for exponential business growth.

The event emphasized that it's important to have a CEO level strategic thinking on logistics to have strong and profitable businesses.

Mr. Anil Radhakrishnan shared the importance of CEO level engagement in logistics and to focus on the core business by outsourcing logistics to logistics service

providers. He also shared that it's important to focus on sustainability as a key parameter of one's logistics organization.

Mr. Samir Shah shared that to support exponential business growth it's very important to follow all compliances while exporting. This shall also help in reducing cost.

Dr. Pramod Sant emphasized the need of digitization of logistics and focus on end to end cost to create an efficient logistics organization.

The event was a huge success and more than 200 participated in the online event which was moderated by Mr. Aditya Sharma.

Opportunity for MSMEs NASSCOM CoE UDYAM 4.0- Nayi Disha 2nd Edition - Dt. 30-06-2021

GCCI in Association with NASSCOM CoE, Gandhinagar has organized a session to build awareness of Cloud Computing among MSME leaders and key decision makers to accelerate their Digital Transformation.

SMBs in India are a significant contributor to the robustness of the Indian economy. It is therefore imperative that these businesses have the wherewithal to survive any crisis and become self-

sustaining to maintain their competitiveness.

And Technology Adoption particularly cloud will play a key role in this journey. In the current pandemic scenario, cloud will enable business continuity for SMBs, help expand customer segments across geographies and verticals, lead to cost optimization and help them innovate/customize their products/services as per customer needs.

An Interactive Webinar on “Atmanirbhar Nari-III” - Dt. 30-06-2021

An Interactive webinar “Atmanirbhar Nari-III” at GCCI as a part of the series “Atmanirbhar Nari”

On 30th June, 2021 the Start-up and Innovation committee, Youth Wing Committee and Business Women Wing Committee of Gujarat Chamber of Commerce & Industry in coordination with i-Hub, Ahmedabad and supported by WICCI-Gujarat Startup Council was organized an Interactive webinar “Atmanirbhar Nari-III” at GCCI as a part of the series **Atmanirbhar Nari** a platform launched to support women entrepreneurs.

The Guest of Honour for this session was Ms. Nita Shah, Founder, New Age Excellent Training Center, (NEXT-C). She admired women for the difficult

balancing act that they do when they take up entrepreneurship and encouraged them to succeed.

The second panel discussion session introduced the following three startups 1. AltMat, Founded by Ms. Shikha Shah 2. The Round umbrella founded by Ms. Shivani Chakrachhattri and 3. Algallio Biotech Private limited, founded by Ms. Ameer Patel.

The panel was moderated by: Ms. Swapna Sai, Certified Image Consultant & Soft Skills Coach, Amaze Image Management.

The event was appreciated by many members.

Ms. Meghna Shah concluded the event with vote of thanks.

Meeting with H.E. Ambassador MS. GRACE AKELLO & TEAM - Dt. 06-07-2021

A delegation lead by H.E Ambassador MS. GRACE AKELLO had an excellent interactive meeting with GCCI today and discussed how the trade and investment can enhance for the mutual benefit.

President Shri Natubhai mentioned the historical ties between the two countries from centuries back. The mutual trust between people of both the countries will help to boost our relationship. He assured the delegation that GCCI will help the business community of Uganda to find the right partner for business.

Sr. VP Shri Hemantbhai explained the functions of GCCI which helps not only the trade and Industry but society at large.

Shri R. D. Barhat GM DIC introduced the delegates and shared the Industrial growth of the state.

H.E. Ambassador MS. GRACE AKELLO said that they are looking forward for collaboration with State of Gujarat for economical development of Uganda and welfare of

Gujarat. She also recalled the historical relationship which is more than 200 years old and The Railways in Uganda was started with the help from India. Further it has got a solid boost with the visit of Hon'ble PM Shri Narendra Modi's visit 2 years back. She highlighted few of the Industries like Commercial Agriculture, Hospitality and service, IT, SOLAR energy, mineral etc. where we both can cooperate with each other. MSME model is what they wish to borrow as it has been great success in Gujarat and India. Investment in Industry in Uganda will open the market for entire East Africa and Europe & US as well as they have a good relationship with those countries.

Chairman of various committees/task force explained

the role and functions of their committees and were impressed with the scope offered by Uganda.

VP. Shri K.I. Patel offered vote of Thanks.

Shri Hemant Shah, Senior Vice President, GCCI in his welcome address stated Gujarati people have always played instrumental role in Film making before the independence era and now Gujarati Cinema after the movies such as 'Chal Jivi laiye' and 'Hellaro' has evolved Globally.

Shri Aasit Shah, Chairman, FEME committee gave an insight on Gujarati Film Industry which has produced more than 1000 films since inception & caters to a worldwide audience of 8 crore Gujaratis.

Ms. Shital Shah, Shri Abhishek Jain and Ms. Aarti Patel

in their keynote address discussed their journey as a Filmmaker, shared Tips & Tricks of Filmmaking and Future outlook of Gujarati Film Industry & OTT Platforms. They shared their experiences at length. Shri Abhishek Jain, mentioned in his address that now Government is acknowledging the efforts of Gujarati Film Industry. The subsidy which has been announced for Gujarati Cinema by the Gujarat Government should be treated as Reward Policy for the people who are connected with the Gujarati Film Industry.

Question-Answer session was moderated by Shri Nayan Jain, Co-chairman, FEME Committee.

Shri Pathik Patwari, Hon. Secretary, GCCI offered the vote of thanks and stated the recently launched Gujarati OTT Platform OHO will encourage new generations towards the Gujarati language.

Post Covid-19 Pandemic Effects in the UK - Dt. 17-07-2021

યુ. કે.માં કોરોના મહામારી બાદની પરિસ્થિતિ અંગેનો વેબિનાર.

GCCI-NRG સેન્ટર, અમદાવાદમાં તા. ૧૭ જુલાઈ, ૨૦૨૧ના રોજ “યુ. કે.માં કોરોના મહામારી બાદની પરિસ્થિતિ અંગેનો વેબિનાર” અંગે માહિતી માટેનો વેબિનાર યોજાયો હતો.

આ કાર્યક્રમનો મુખ્ય હેતુ કોવીડ-૧૯ બાદ યુ. કે.માં વસતા તથા યુ. કે. જવા માટે ઈચ્છતા હોય તેમને ત્યાંની સ્થિતિ વિષે માહિતગાર કરવાનો હતો. કાર્યક્રમના અધિષ્ઠાતા તરીકે સી. બી. પટેલ, પબ્લિશર-એડિટર, ગુજરાત સમાચાર & એશિયન વોઈસ-યુ.કે., શ્રી રોહિત વઢવાના, IFS, ફર્સ્ટ સેક્ટરી

(ઈકોનોમિક), હાઈ કમિશન ઓફ ઈન્ડિયા-લંડન-યુ.કે. તથા શ્રી કાંતિભાઈ નાગડા, પ્રોમિનન્ટ ગુજરાતી બ્રિટિશર, લંડન-યુ.કે. ઓનલાઈન જોડાયા હતા.

કાર્યક્રમના સ્વાગત પ્રવચનમાં NRG સેન્ટર-અમદાવાદના ચેરમેન શ્રી દિગંત સોમપુરાએ મહેમાનો અને સભ્યોને આવકાર્યા હતા.

કાર્યક્રમના અતિથિવિશેષ સી. બી. પટેલે તેમના વક્તવ્યમાં જણાવ્યું હતું કે બ્રિટનમાં આશરે ૨૦ લાખ જેટલા ભારતીયો વસી રહ્યા છે, જેમાં ૮ લાખ ગુજરાતીઓએ ૫૨% જેટલા ગુજરાતીઓ આફ્રિકાથી માઈગ્રેટ થયેલા છે.

કોરોનાના કપરાકાળમાં બ્રિટનમાં રહેતા લોકોએ ઘણું સહન કરવું પડ્યું છે પરંતુ ખમીરવંતા સાહસિક ગુજરાતીઓએ આફતને અવસર માં ફેરવી દીધી હતી. આર્થિક-સામાજિક પ્રશ્નોમાં અનેક મુશ્કેલીઓ પડવા છતાં ગુજરાતીઓએ પોતાના વ્યવસાય અને નોકરીઓ સહજ રીતે ટકાવી રાખ્યા હતા.

શ્રી રોહિત વઢવાના, IFSએ શ્રી નટુભાઈ પટેલ અને કમિટીના સભ્યોનો આભાર માનતા જણાવ્યું હતું કે, બ્રિટનમાં વેકિસનેશન મોટા પ્રમાણમાં થઈ ગયેલ છે, વિદ્યાર્થીઓ માટે ઉચ્ચ અભ્યાસ માટેની પણ ઘણી તકો ઉપલબ્ધ છે તથા યુનિવર્સિટી દ્વારા counselling cell ચાલુ કરેલ છે. જાણીતા બિઝનેસ કન્સલ્ટન્ટ શ્રી સુનીલ પારેખ સાથેની પ્રશ્નોત્તરીમાં તેમણે જણાવ્યું હતું કે છેલ્લાં

૭૦ વર્ષમાં અગાઉ ન થયેલ હોય તેવાં સારાં કામો બંને દેશો વચ્ચે થયેલ છે. ભારત અને યુ.કે.ના વિકાસ માટે મે મહિનામાં ભારત અને બ્રિટનના વડા પ્રધાને કરેલ વર્ચુઅલ સમિટમાં information અને start-up અંગેના કરાર થયેલ છે તે અંગેની માહિતી આપેલ હતી.

બ્રિટનનાં શ્રીમતી કિષ્ના પુજારાએ જણાવ્યું હતું કે બ્રિટનમાં વસતા ગેરકાયદે લોકોને પણ કોઈ પ્રશ્નો કર્યા વગર વેકિસનેશન કરાવ્યું હતું. ખાસ કરીને ભારત-યુ.કે.ના આર્થિક સંબંધો વિષે માહિતી આપતાં જણાવ્યું હતું કે, કોવીડ અને બ્રેકિંગટ પછી પણ બ્રિટનમાં બિઝનેસ માટે પણ કોઈ સમસ્યા નથી. એક અહેવાલ મુજબ ૨૦૧૯માં ભારતની ૮૪૦ કંપનીઓ કાર્યરત હતી, જેને ૧,૦૫,૦૦૦ નોકરીઓનું ઉપાર્જન કર્યું હતું અને ૨૦૨૦ના કોવિડના ગંભીર સંજોગોમાં પણ ૮૫૦ કંપનીઓ નોંધાઈ હતી, જેનાથી ૧૦૧૦ નોકરીઓનું ઉપાર્જન કરવામાં આવ્યું હતું.

શ્રી કાંતિભાઈ નાગડાએ જણાવ્યું હતું કે કોવિડ સમયમાં બ્રિટન માં છૂટાછેડાના, બેરોજગારી તથા સ્વૈચ્છિક સંગઠનો બંધ થતાં સરકારે તેમને પોતાના હેઠળ લઈને ધંધા માટે લોન, વિઝા ફી માફી, જરૂરિયાત લોકોને ખાઘસામગ્રી વગેરે જેવી મદદ આપી હતી.

આ “યુ.કે.માં કોરોના મહામારી બાદની પરિસ્થિતિ અંગેનો વેબિનાર” માં મોટા પ્રમાણ લોકોએ ભાગ લીધો હતો.

Youth Wing - Golf Clinic - Dt. 18-07-2021

Under the leadership of GCCI Youth Wing Chairperson Shri Parth Desai, an Event of Golf Clinic was organized at Gulmohar Greens & Country Club. More than 40 participants had a hands on experience for the first time in Golf. The event was sponsored by "The fixed income.com". Associate sponsors were "Finnati" & "Rich Traders & wealth management LLP". The event was executed by membership integration team of GCCI Youth Wing.

The Golf Clinic event was very successful where Youth Wing members understood the basics of golf & techniques. We also had chipping & putting competition among the members. The event was followed by high tea. Winners & Runner-up each male & female category was given a certificate and every participant was given a trophy.

MoU Signing Ceremony between GCCI & LXS Foundation for Girls Innovation Centre - Dt. 19-07-2021

Gujarat Chamber of Commerce & Industry (GCCI), through its Gujarat Chamber Foundation (GCF) had signed a Memorandum of Understanding (MoU) with Lxs Foundation for Girls Innovation Centre Located at Khadia, Ahmedabad.

GCCI & Lxs foundation are coming together to collaborate for accelerating efforts towards strengthening “Female Innovation” and “Developing Social Heritage”. The initiative focuses on revitalizing

Government Girls High School located at Khadia (having heritage status of Grade (II) and developing an Innovation Centre for Underprivileged girls of Ahmedabad & Gujarat.

In addition to GCCI, the Project is supported by Education Department of Gujarat-GOG, UNESCO Delhi, Alliance Française d’Ahmedabad and Indian National Trust for Art & Culture (INTACH).

Core objective of this collaboration are as follows;

- Set a model example for sustainable social heritage development under collaborative approach of CSR & Industry philanthropy through development of Innovation Centre for underprivileged girls.
- Make Ahmedabad UNESCO heritage an epicentre of Education Tourism.
- Endeavour to formulate National level policy guidelines to support nationwide policy reforms for implementing social heritage.

BWWC – Members visit to MSME’s stores at Sabarmati Railway Station - Dt. 20-07-2021

બિઝનેસ વિમેન વિંગ કમિટીના સભ્યોની સાબરમતીના રેલવે જનરલ સ્ટોર્સ ડેપોની મુલાકાત.

બિઝનેસ વિમેન વિંગ કમિટીના સભ્યોએ તા.૨૦-૭-૨૦૨૧ના રોજ સાબરમતીના રેલવે જનરલ સ્ટોર્સ ડેપોની મુલાકાત લીધી હતી અને રેલવે દ્વારા ઉપયોગમાં લેવામાં આવતી વિવિધ ચીજવસ્તુઓની ઈ-પોર્ટલથી થતી ખરીદી અંગેની સમજ મેળવી હતી.

પશ્ચિમ રેલવેના શ્રી વિહાર ઠાકર, ડેપ્યુટી સીએમએમ અને એમ.એમ.એમ.ઈ.ના સહાયક નિયામક શ્રી ઉમેશ શર્માએ તેમનો મૂલ્યવાન સમય કાઢીને મહિલા સભ્યોને રેલવે અને અન્ય વિવિધ સરકારી સંગઠનોના વિક્રેતાઓ બનવા પ્રોત્સાહિત કર્યા હતા. આ મુલાકાત મહિલા સભ્યો માટે ખૂબ માહિતીસભર રહી હતી.

“We Women” એપ ઉપર GCCI BWWC ગ્રૂપ લોન્ચ

તા. ૨૨-૭-૨૦૨૧ના રોજ ગુજરાત ચેમ્બર ઓફ કોમર્સ એન્ડ ઇન્ડસ્ટ્રીની બિઝનેસ વિમેન વિંગ કમિટીએ ચેમ્બરની મહિલા ઉદ્યમીઓ માટે “We Women” એપ ઉપર GCCI BWWC ગ્રૂપને લોન્ચ કર્યું હતું. આ એપ્લિકેશનનું લોન્ચિંગ ચેમ્બરના પ્રમુખ શ્રી નટુભાઈ પટેલના હસ્તે કરવામાં આવ્યું હતું.

ચેમ્બરના પ્રમુખ શ્રી નટુભાઈ પટેલે એમના વ્યક્તવ્યમાં જણાવ્યું હતું કે ફૂડ, ટેક્સટાઈલ, ગિફ્ટ આર્ટિકલ, સોફ્ટવેર જેવાં દરેક ક્ષેત્રોમાં મહિલાઓ આગળ વધી રહી છે ત્યારે આવા ડિજિટલ પ્લેટફોર્મના માધ્યમથી એમને ઘણી સારી તકો મળી રહે છે. શ્રી હેમંતભાઈ શાહ, સિનિ. ઉપપ્રમુખે જણાવ્યું હતું કે કોરોનાના સમયમાં જે વ્યવસાયો ડિજિટલ પ્લેટફોર્મ ઉપર કાર્યરત હતા એમને આર્થિક રીતે ઓછું નુકસાન સહન કરવું પડ્યું છે. તેથી દરેક ઉદ્યોગ સાહસિકો માટે ડિજિટલ માર્કેટિંગ ઘણો અગત્યનો ભાગ ભજવે છે અને દરેકે તેનો મહત્તમ લાભ ઉઠાવવો જોઈએ.

બિઝનેસ વિમેન વિંગ કમિટીનાં ચેરપર્સન શ્રીમતી શિલ્પાબેન ભટ્ટે જણાવ્યું હતું કે આ એપ્લિકેશનમાં GCCI BWWCના ગ્રૂપ હેઠળ ફક્ત ચેમ્બરની મહિલા સાહસિકોના વ્યવસાય, ઉત્પાદનો અને સેવાઓની માહિતીને મૂકવામાં આવશે, જેનાથી સોશિયલ માર્કેટિંગના આ માધ્યમથી ચેમ્બરની મહિલાઓને બિઝનેસ માટે વ્યાપક પ્લેટફોર્મ મળી રહેશે અને વિકાસની નવી તકો ઊભી થશે.

કાર્યક્રમમાં “We Women” એપ્લિકેશનનાં ફાઉન્ડર મીસ.કૃતિકા જૈને એ પ્રેઝન્ટેશન દ્વારા આ એપ્લિકેશન અંગેની માહિતી આપી હતી.

કાર્યક્રમમાં બિઝનેસ વિમેન વિંગ કમિટીના સભ્યો અને ચેમ્બરના મહિલા સાહસિકો ઓનલાઈન અને રૂબરૂ હાજર રહ્યા હતા.

અંતમાં બિઝનેસ વિમેન વિંગ કમિટીનાં કો-ચેરપર્સન શ્રીમતી કુસુમ કૌલ વ્યાસે આભારવિધિ સંપન્ન કરી હતી.

Ice Breaker Series-6 - Dt. 24-07-2021

The 6th session for the Ice Breaker Series was held with a small group of 20 people to encourage member integration. The introduction was through a buddy system. We also had a group discussion on the business case study. This was the last session of the Ice Breaker. GCCI Youth Wing is proud to introduce a networking session over the case study discussions first time probably in Gujarat. No other social or networking platform have done something like this. Overall it was a highly successful series integrating more than 140 Youth Wing members who all came to GCCI premise.

Project Launching Ceremony & Bhoomi Poojan of “Girls Innovation Centre” - Dt. 30-07-2021

Unveiling program for the redevelopment of Government Girls High School with Heritage Grade (II) at Raipur Khadia with the objective of preserving social heritage in collaboration with LxS Foundation under the auspices of Gujarat Chamber Foundation

Gujarat Chamber of Commerce and Industry in association with the LxS Foundation inaugurated the Heritage Grade (II) Government Girls High School at Raipur Khadia for the purpose of conserving social heritage.

A Memorandum of Understanding (MoU) has been signed between Gujarat Chamber Foundation and LxS Foundation for setting up of Girls Innovation Centre in collaboration with the Department of Education, Government of Gujarat, UNESCO Delhi, Alliance Française d'Ahmedabad and Indian National Trust for Art & Culture (INTACH).

Shri Natubhai Patel, President, GCCI in his welcome address stated that Gujarat Chamber Foundation has always been active in social works, whether it is

natural calamities or difficult situation like Covid-19 pandemic, Mahajan has come forward to help common people in many ways in times of crisis. He discussed that the Government's New Education Policy mentions restoring and developing a heritage site under the School of Excellence. As part of this, GCCI has decided to develop a 200 year-old heritage property as a “Girls Innovation Centre”. Just as years ago Mahajans built the VS Hospital in Ahmedabad for the welfare of society and under the leadership of Kasturbhai during that time Mahajans developed zoo or library for the society. In the same way Mahajans will complete the construction of this heritage school within three years. He thanked Shri Trilokbhai Parikh, Trustee, Gujarat Chamber Foundation for his contribution of Rs. 15,00,000 towards this project.

Ms. Sanskriti Panchal, founder, LxS Foundation gave a presentation on the project and gave a brief overview about the project, stating that the project would also preserve the heritage and provide free and quality education to the girls of common and poor people. Thus, future generations will benefit greatly.

Shri Pathik Patwari, Hon. Secretary, GCCI stated that this is not just a renovation of a historic site but a historic day and GCCI is fortunate to be a part of such project. He also mentioned that if we take care of such historic places, people from Europe will come to visit our heritage sites as this is a unique attempt to make good use of heritage. He requested other associations also to join hands in such works.

GCCI Start-up & Innovation Committee

Empowering Start-ups and Supporting Innovations

Shri Amit Parikh
Chairman

Shri Shaival Desai
Co-Chairman

Shri Niraj Shah
Aspire Coordinator

Shri Geeta Joshi
Coordinator, GCCI

Shri D. H. Amin
Officer In charge, GCCI

Reason Behind the Vision

Govt. of India has envisioned a USD \$5.00 Trillion Economy by 2025 which demands a consistent economic growth of approximately 8% for next five years. Gujarat contributes nearly 7.8% of India's GDP with major Contribution from the Old Economy led projects.

GCCI has played a vital role in the economic development of Gujarat since the past 70 years consisting of Policy framing and Implementation. GCCI has always been the eyes and ears of the policy makers for timely intervention as and when needed. Thus, GCCI who has been impactful in the past in creation of a Vibrant State economy.

Vision

GCCI shall equally be a stakeholder for future development which may come from "Innovation" led Industries. And GCCI has decided to create impact across the start-up Ecosystem of the state by contributing all the resources.

GCCI Aspire

GCCI Aspire is a series of programs under the vision of touching each facet of the Start-up Ecosystem: Generating Ideas, Incubation, Seed Funding and Acceleration. Members of Start-up & Innovation Committee (known as Team Aspire) are committed to accomplish the vision of GCCI by various actions.

Aspire Action Plans

- 1. ASPIRE Mentor Box :** Mentoring Program for Start-ups.
- 2. ASPIRE Industry Connect:** Connecting Start-ups and Industry.
- 3. ASPIRE Start-Up Awareness:** Start-ups Awareness Various Programs.
- 4. ASPIRE Vocal 4 Start-Up:** Promoting Start-ups and their Product/Service.
- 5. ASPIRE Collaborative:** Collaborative efforts with Start-up and Innovation Eco System.

1. ASPIRE Mentor Box :

Mentoring Programme for Start-ups called Mentor Box. Aspire Mentor Box is a Program to mentor Start-ups with industry experts from GCCI. The objective of this programme is to provide the much-needed guidance to improve their business through thought leadership, provide industry perspective, share industry expertise, impart decision making skills and advance their company. The Start-ups apply to the program, are matched up as best as possible with the industry mentor and encouraged over the next 3 months to build a connect, discuss vision, problem areas & get expert guidance from the mentor.

2. ASPIRE Industry Connect:

To Connect Industry with Start-up Expertise and Vice Versa with the help of Start-up Communities/Eco-System. Identified Industry Challenges handover to appropriate Start-up expertise after validating and Identified Start-up product/service to promote/connect to industry/ies.

3. ASPIRE Start-Up Awareness:

Globally, the Start-up industry is one of the hottest investment opportunities. GCCI envisions to sensitize its members to this upcoming opportunity. Educate Team Aspire and GCCI members to diversify towards this asset class. By organizing seminars/webinars for GCCI members about start-ups and investing in them.

4. ASPIRE Vocal 4 Start-Up:

Create an awareness about of the Start-ups and promote their product and services. #VocalForLocal concept to foster an #Atma Nirbhar Bharat. Promote the product and services of the Start-ups which are enrolled in Mentor Box through Email, to all members of GCCI. Publish the information of the enrolled Start-ups in the bulletin of GCCI. To invite selected startups to various meetings of GCCI and give them a chance to introduce themselves. Publicize selected Start-ups on the digital platform of GCCI.

5. ASPIRE Collaborative:

Aspire Collaborative efforts with Start-up and Innovation Eco System with different committees of GCCI and relevant stakeholders.

Gujarat Student Start-up and Innovation Hub

Student Start-up and Innovation Policy (SSIP)

Gujarat has been at the forefront of working towards the Hon'ble Prime Minister's 'Start-up India' mission. To provide a thriving environment to empower and encourage its young innovators and entrepreneurs, the Education Department, Government of Gujarat has formulated and successfully implemented its iconic Student Start-up and Innovation Policy (SSIP) launched in 2017.

Gujarat is first among the states to create a Students Start-up and Innovation Policy (SSIP), to create an innovation and pre-incubation ecosystem support for students to develop an innovation and entrepreneurial culture in the state's universities and educational machinery and thereby create more young innovators, entrepreneurs and eventually, job creators. A student innovation fund of 200 crores for a period of five years has been created to execute. Building Innovation and Start-up Eco system is a long term endeavour and the Education department through Student Start-up and Innovation Policy (SSIP) is making persistent efforts for that. Through the policy financial support is extended to student innovators and start-ups along with students/alumni who have graduated/passed out from any college in Gujarat in the last 5 years.

Government of Gujarat is trying to develop a holistic Innovation Start-up Ecosystem involving all possible stakeholders. In the State Start-up Rankings, by DPIIT, Government of India, Gujarat emerged as the No. 1 state and was designated as a "best performing state". This is the second consecutive time that Gujarat has transpired as the start-up state in the country, retaining the pole position that the state had achieved when the rankings were announced by the Union government for the first time in 2018.

SSIP Achievements:

- 120 institutions and 48 Universities became SSIP grantees and extended support to students, Innovators & Start-ups.
- 4876 Teams have got financial support for developing proof of concept
- 1,700 early stage Start-ups got benefited
- 109 Pre-Incubation Centers have been developed

- 47 Fab labs have been developed across the state
- Around 9,21,332 students have been outreached through various initiatives.

Gujarat Student Start-up and Innovation Hub (i-Hub)

In an attempt to give further momentum to the Start-up and Innovation wave in the state, Gujarat Student Start-up and Innovation Hub (i-Hub) is established as a flagship nodal agency, incorporated as a Section 8 company in May-2019. i-Hub is envisioned to be a centre for all start-up stakeholders to develop an end-to-end innovation and entrepreneurial Eco system in the state of Gujarat by creating pathways from Mind-to-Market.

The inclusive state-of-the-art centre will be the largest facility with cutting edge infrastructure for innovation and entrepreneurship with amalgamation of agile, flexible and collaborative co-working spaces to spark real interaction and flow of ideas and futuristic and advanced technology labs. The Hub leverages and channelizes this demographic advantage to build a vibrant ecosystem in the state.

Facilities at i-Hub

Co-working Space i-Hub offers a co-working space of approx. 20,000 sq ft to Start-ups which is well-equipped with basic amenities including high speed internet and can be readily used in plug-n-play model. A full-fledged new infrastructure of 1,50,000 sq ft is being developed that can house 500 Start-ups at once.

Networking Opportunities i-Hub has partnered with several Eco System enabling organizations which the Start-ups can leverage for their growth.

Infrastructural Support All the Start-ups are supported by providing access to the infrastructure support viz. meeting rooms, classrooms, conference room, library subject to availability which can be used free of cost or at minimum cost.

360° mentorship For guidance and mentorship, Start-ups have access to the mentor board of i-Hub consisting of eminent experts from various domain verticals like business modelling, UI/UX designing, product development, scale-up strategy etc.

IPR Support i-Hub provides patent and trademark support to Start-ups through our in-house State IP Facilitation Centre. All the expenses for filing patents and trademarks are reimbursed for the Start-ups associated with i-Hub.

Funding Assistance i-Hub provides financial assistance to Start-ups under various schemes. All the Start-ups have access to the capital support once they fulfil the eligibility criteria.

Flagship Initiatives of i-Hub

Several Flagship initiatives have been conceptualized at i-Hub. With an aim to scout, engage and leverage best mentors across domains and regions to help the Start-ups, i-Hub has come up with Start-up Sathi Flagship initiative. Under the same initiative, a '100 Webinar series' was successfully completed wherein, Eco System stakeholders across the country directly addressed the entire Gujarat Eco System which was broadcasted live for the larger benefit. More than 36 lakhs participants leveraged the '100 Webinar Series'. As of now, total 48 'Start-up Sathis' have been onboarded to mentor and guide Start-ups at i-Hub. A short-term mentoring program, Startup Engage, has been designed to address the problems faced by early-stage Start-ups in their journey and provide necessary guidance & networking by the mentors. Till now, 30 Start-ups have been mentored under this flagship program.

For the capacity building of various stakeholders of the start-up and innovation Eco System, **Start-up Saksham** was commenced. Under this, three capacity building programs were organized-a Comprehensive Online Course on Intellectual Property Rights (IPR) was organized which trained 5140 faculties; Nurturing Innovation and Start-up Eco System (NISE) trained 1410 stakeholders and 1402 innovators were trained Start-up Runway program. i-Hub launched and handheld 13 University Innovation & Start-up Centers & helped in establishing 15 University Intellectual Property Facilitation Centers at various universities in Gujarat till now.

For early and growth stage Start-ups, incubation space and allied facilities are provided by i-Hub under **Start-up Grow** initiative. More than 100 Start-ups have been associated with i-Hub under the Start-up Grow program. Once the Start-up validates his/her idea,

startups are given financial support of INR 2-25 lakhs to aid the expenses of Prototyping, under the Start-up Srujan initiative. A total of INR 1.24 Cr grant has been sanctioned to 40 Start-ups under this program.

Mind-to-Market initiative is to engage the students/innovators through an open innovation model in which they will co-create with various corporations for creating value. Total 21 innovators have been sanctioned under Mind-to-Market to work on their prototypes.

Start-up Samajh initiative is there to help the startups get various services like-IPR, funding, accounting, access to grants and allied auxiliary needs at a single point facility. After the Start-ups are ready with their prototypes/Minimal Viable Products (MVP) they can get a single-window interface to interact and co-create value with industry under the Start-up Square initiative of i-Hub. Access to R&D Labs, Testing Centers and expert organizations for certification to support Start-ups in the certification and validation process to help build better credibility for Innovators/Start-ups is covered under Startup Manak. i-Hub has also developed an e-commerce platform named Start-up Mart, exclusively for Start-ups to list their products resulting in collective push creating a better marketing opportunity for Start-ups.

State Intellectual Property Facilitation Centre (IPFC)

A dedicated state-level IP Facilitation Centre (IPFC) is set up at Gujarat Student Start-up and Innovation Hub (i-Hub) to create a single window IP support system. IPFC aims to facilitate students, Start-ups, innovators, researches and protect their IPRs by drafting applications for patent registration, copyrights, trademarks and industrial designs. It also assists innovators by providing support of experienced patent agents and tools which would make the IP filing processes easy.

Major services given by the IPFC are-overall IP Facilitation, capacity building of stakeholders, setting up of IPFC across universities, facilitate large scale IP literacy, promote IP based Start-ups, shape and implement IP support policy.

For domestic IP filing, innovators are supported with upto INR 50,000 and for filing IP in other countries or through PCT, support of upto INR 1,00,000 is provided.

International Centre for Entrepreneurship and Technology

www.icreate.org.in

iCreate (International Centre for Entrepreneurship and Technology) is India's leading institution for transforming Start-ups based on tech innovation into successful businesses. We are supported by the Govt of Gujarat and the Govt of India, and are located in a state-of-the-art 40-acre campus in Ahmedabad. Till date, we have supported over 389 innovations and 30+ patents with a 'high-touch, entrepreneur-first' model, connecting them with mentors, markets and money. Over the past few years, we have created a

track-record of supporting projects in the EV space – from batteries and battery management systems, to charging systems, energy recovery systems, hybrid energy storage systems, autonomous driving assisting systems and smart functionality systems. Our campus is equipped with design and simulation labs, rapid prototyping facilities, and core expertise in embedded systems. We have forged a deep relationship with the innovation Eco System of Israel, the country known as the world's "Start-up Nation".

Name of Start-up	Limelight IT Research Pvt Ltd
Headquarters	Ahmedabad, Gujarat, India
Core Team	Tarun Purohit, Founder & CEO
Contact details	Tarun Purohit- +91 99049 53644 Mail: info@limelightit.io
Website	https://limelightit.io/

DESCRIPTION: Limelight IT is Industries and corporate IoT solution provider via their own custom design IoT network which consists of modular hardware and software. Their currently developed product is a dual-frequency wireless solution which offers various features, i.e. energy conservation, people/asset Counting and micro-location Services, access control/security and ambient conditions monitoring. It is a dual-band system which is used to incorporate benefits of long-range as well as accuracy. The hardware and software for this system has been completely custom-designed from scratch to suit the Indian subcontinent, which provides low cost of manufacturing as well as complete customizability.

Gujarat University Start-up & Entrepreneurship Council's Foundation (GUSEC)

About GUSEC

Gujarat University Start-up & Entrepreneurship Council's (GUSEC) foundation was laid in February 2016, with the aim of being a swift aid and an instrumental way forward for early-stage startups. For that purpose, it was modelled to support innovators and entrepreneurs with every aspect of their enterprise from the first day itself, without any additional costs. This strategy, as we call it 'zero-day, zero-cost,' sets us apart from any other Start-up incubator in the country, making an innovator's journey easier and helping entrepreneurs ease into their business without any pointless costs. GUSEC aims to sensitise and encourage students, adults and anyone else with a scalable idea to turn their dream prospect into reality and pledges to make India self-reliant by making Indians self-sufficient.

As a premier institution that believes in pursuing excellence through innovation, GUSEC initiated programs like the Children Innovation Festival (to foster innovation in school children), herSTART (to empower innovative ideas by women) & STARTfest (bringing Start-up support to innovative ideas from college students). Over the past five years, GUSEC has created a far-reaching impact in the Start-up eco system of the state of Gujarat, with its efforts helping Gujarat University win several accolades that include its #1 place in the NIRF Rankings, emerging as the #1 University under the Gujarat State Institutional

Ranking Framework and a place among the top 25 Institutions in India in the Atal Rankings of Institutions on Innovative Achievement (ARIIA) Rankings.

GUSEC is also a Nodal body to implement Student Start-up and Innovation Policy (SSIP) at Gujarat University and a Nodal Institution of Start-up Assistance Scheme, Industries Commissionerate, Gujarat. GUSEC is also recognised as TIDE Incubator by Ministry of Electronics and IT, Govt of India as well as MSME Incubator from Ministry of Micro, Small & Medium Enterprises, Government of India.

GUSEC Fact Sheet:

- 168 Start-ups incubated currently
- 300+ Start-ups supported since inception
- 1363+ jobs generated
- 21.8 Cr+ revenue generated
- 89 Start-ups funded by GUSEC
- 2.43 Cr worth of funds disbursed
- 70+ product Start-ups
- 90 ideas commercialised
- 80+ growth-stage Start-ups

1. Royal Gabat Food Science and Technology LLP

Founder: Raj Shah

RGFST LLP has been incorporated with a vision of making tasty and healthy food items, creating sustainable farms to fork value chains from medicinally beneficial plants and herbs.

Contact details: ceo@cecllp.in, [+91 9727774123](tel:+919727774123)

2. InSitu Farming

Founder: Anjali Garg

With the concept of no water, no soil and no human intervention, InSitu Farming is revolutionising the farming sector to the next scale. It can help mitigate seasonal farming limitations, control microbial contamination in plant vegetation, decreased harvest time and increase the crop production at an exponential rate. The current market demands fast yielding products with minimal risk involved and the start-up is a perfect platter for their needs.

Contact details: anjali1010garg@gmail.com, [+91 7874765634](tel:+917874765634)

3. Khet Agri Innovations Pvt Ltd (Urban KHET)

Founder: Priyam Sameer

Urban Khet is on a mission to build a sustainable tomorrow for unsung farmers as well as consumers. It transports freshly harvested produce straight from farms to one's doorsteps eliminating the need to store or freeze the produce. It promises consumers direct access to fresh, healthy and delicious produce.

Contact details: team.khet@gmail.com, [+91 8238452277](tel:+918238452277)

4. AltMat Pvt Ltd

Founder: Shikha Shah

AltMat processes natural and sustainable fibres which are cost-efficient. It converts agricultural waste of certain kinds to textile fit fibre. These textile fibres can be used to make a number of things from bags to shoes, carpet to clothes etc.

Contact details: shikha@altmat.in, [+91 9925256771](tel:+919925256771)

5. Indiapack

Founder: Dinta Vaghasiya

Indiapack intends to make a renewable and biodegradable packaging material and eliminate the use of Polystyrene that poses hazardous dangers to the environment as well as human health.

Contact details: dintavaghasiya@gmail.com, [+91 9974699224](tel:+919974699224)

6. Plutomen ARMS

Founder: Keyur Bhalavat

Plutomen ARMS is an AR-based remote collaboration platform for frontline engineers and offsite employees. ARMS allows enterprises to intervene remotely and carry out ordinary maintenance procedures in real-time and enables collaboration between workers and features real-time 3D annotations to help teams solve problems with no extra relocation costs.

Contact details: keyur@pluto-men.com, [+91 99797 65418](tel:+919979765418)

7. ECOrrrect Pvt Ltd (Bioplastic)

Founder: Bindi Patel

Bioplastic is a kind of plastic made out of plant components that is biodegradable in nature. Retaining all the properties of the conventional plastic, it has the potential to be a true replacement for synthetic plastics.

Contact details: bindipatel2316@gmail.com, [+91 81548 99240](tel:+918154899240)

8. WeHear LLP

Founder: Kanishka Patel

WeHear is a hearing care company that originated with the aim of developing the most effective and economical hearing solutions. It has successfully developed the hearing-aid solution for the hearing impaired in order to empower them and give them the gift of a better life and is currently developing new-age Headphones which provides the top quality, design, innovation and comfort without damaging our ears.

Contact Details: krpatel6996@gmail.com, [+91 76001 05991](tel:+917600105991)

9. Earth Tatva

Founder: Shashank Nimkar

Earth Tatva reduces mining of natural resources by up to 60% through recycling of fired ceramic waste and simultaneously reducing energy consumption. Essentially, doing more and better with less.

Contact details: shashank@earthtatva.com, [+91 95455 28813](tel:+919545528813)

10. Plushvie

Founder: Aagam Shah

Plushvie is an online market place for authentic jewellery which brings reputed jewellery retailers on a single platform that gives buyers the ease of shopping with 100% assurance of the authenticity of the jewellery product and value for their money. They also offer the best-in-market prices and offers to the users.

Contact details: aagam@plushvie.in, [+91 97272 67393](tel:+919727267393)

GTU Innovation Council

Ahmedabad | Vadodara | Rajkot | Surat | Mehsana

**GTU
Innovation
Council**

Gujarat Technological University is pioneered in helping student since its inception by incorporating the first student support start-up mechanism named as Student Start-up Support System as The S4. The University has continued to look into the critical minor needs of such student start-up activities and establish a GTU Innovation Council in 2010.

GTU Innovation Council as an innovation campaign has started strategic steps to establish a close and continuing inter-action for the students in all the undergraduate and postgraduate courses. GTU Innovation Council is one of the elite organizations of the nation for cultivating multilayer innovation ecosystem and launched India's first GTU Student Start-up Policy in November-2014 based on College and University based Entrepreneurship (CUBE) Model.

GTU Innovation Council (GIC) has been designed to establish close bonding between industries, entrepreneurs, faculty members and students to make research and development at the University, relevant to the needs of industries at national and international levels. It helps to create a culture of design, new and products augmentation and processes in the arena of industries. Through the efforts for creating culture of innovation and entrepreneurship in 10 years, an aura of developing the eco system across the state was conceptualized.

Efforts of creating culture of innovation and entrepreneurship, university enable the way for setting up an incubation centre named as GTU Innovation and Start-up Centre (GISC), a section 8 (not-for profit) company. GTU Innovation and Start-up Centre provide support to Innovators for various grants along with Networking with Mentors, Strategies for market Traction and other allied support to scale up the Start-ups.

To provide and accelerate the innovation wave pan Gujarat, university has set up regional centres at Ahmedabad, Vadodara, Rajkot and Surat with dedicated teams.

So far, GIC has sensitised more than 8.00 Lakh (Eight

Lakh) students, faculties, researchers and Startups Enthusiasts. 373 innovative projects have been supported under Student Start-up Policy. 37 Startups are availing benefits under Start-up policy introduced by Industries and Mines Department with grant of Rs 5.08. Nearly 430 Startups have been benefited with various support and they have crated almost 700 jobs and Rs. 18 Crore turnover. Moreover, university has supported to file 168 patent- trademarks and design registration

GISC is sector agnostic incubator and always tries to support start-up through various modes and mechanism.

Major Objectives:

1. To sensitise the potential ideas and create an environment for home-grown technologies.
2. Scouting and handholding of such innovations which are ready with their product/s – extending our support in terms of mass manufacturing or make availability of testing.
3. Seed support and other Funding
4. Product designing and its validation
5. Industry Connects and Market Access

GTU Innovation and Start-up Centre (GISC) has been designed to establish close bonding between industries, entrepreneurs, faculty members and students to make research and development at the university. Under GTU umbrella organisation (GIC, AIC, DIC and IPR) we pioneering by supporting various activities.

We provide support to start-ups with various policies available which are as follows

Assistance under GISC (GTU Innovation and Startup Centre) Under SSIP Policy (Student Start-up & Innovation Policy)

- PoC/Prototype grant up to INR 2 Lakh
- Patent filing support up to INR 25K

Under In Start-up Assistance Scheme under Industries Commissionerate, implemented by State Level Empowered Committee (IC-SLEC)

Support provided up to 30 lakh per start-up as a seed support approved by SLEC:

- Rs. 20,000/- per month will be provided to the innovator as sustenance allowance for one year whose project is recommended and approved by SLEC
- In case of Start-up having at least one woman co-founder, Rs. 25,000/- per month per Start-up will be provided as sustenance allowance approved by SLEC
- An additional support up to 10 lakh will be provided to start-ups having innovative projects which have significant impact on society, based on condition on approval / sanction given by SLEC
- Assistance up to 3 lakh per approved start-up will be provided to enrol and participate for national/international recognised acceleration programs approved by IC
- Assistance Up to 1 lakh per approved start-up for skill development support approved by IC

GTU Atal Incubation Centre | AIC-GISC Foundation | Recognized by NITI Aayog, Government of India | <http://www.aic-gisc.gtu.ac.in/>

Atal Incubation Centre at Gujarat Technological University (AIC-GISC Foundation) supported by Atal Innovation Mission, Government of India aims to nurture the ideas into a viable Enterprise/Start-up. With a specific focus on Healthcare, Biotechnology, Medical Devices and allied areas, besides, provides active Mentoring and Financial support to the Incubates.

Atal Incubation Centre from its main Campus at Chandkheda, Ahmedabad is going to provide Basic and high-end Instrumentation facilities, Incubation spaces and networking facilitating a host of other resources that may be required for the start-up to survive and scale up further.

Facilities available at AIC (Atal Incubation Centre)

- Dedicated laboratory space

- Co-working space for Fab lab design
- Dedicated office space
- High-end equipment
- National importance gained business mentors
- Technical expertise from national importance institution
- Seed funding and Venture funding in series A,B and C from venture pool
- Networking connection and digital market space

Design Innovation Centre | Recognized by MHRD, Government of India | <http://dic.gtu.ac.in/>

Design Innovation Centre (DIC) is a project of the Gujarat Technological University (GTU) funded by the Department of Higher Education Ministry of Human Resource Development Government of India in May-2018. The Gujarat Technological University Design Innovation Centre is to provide a platform to students, faculty members and researcher having enthusiastic for learning and creativity and passion to convert their ideas into design innovations

Activities under DIC (Design Innovation Centre):

- Promote a culture of innovation and creative problem solving
- Promote knowledge sharing and collaboration amongst industry, academia, government institutions, research laboratories etc.
- To serve as a location for the industrial collaborators to encourage their new product development in the campus using in-house facilities
- To serve as a place that imparts design-based education and practice systematic design through projects
- To enhance interdisciplinary design-focused innovation and creativity
- To facilitate interdisciplinary design-focused education, research and entrepreneurial activities in order to create commercial opportunities and build partnerships between academics and industry

GTU IPR Cell | NRDC - Innovation Facilitation Centre (IFC) | Technology Innovation Support Centre (WIPO-TISC) | <https://gtuipr.gtu.ac.in/>

GTU Innovation Council (GIC) has continued its mission for IP literacy for faculty and students, which has started since September, 2011. Till today GIC had organized more than hundred workshops for faculty and students, based on various themes viz. “Patenting in Engineering”, “Patenting in Pharmaceuticals”, “Patent Search Methodology”, “Patent Search and Analysis Report (PSAR)”, “Patent Clinic”, “Patent Drafting Exercise (PDE)”, “Patent Track”, “PCT Patent Journal Analysis Activity” “Creation of Project Monitoring and Mentoring System (PMMS)” etc. By all such workshops and seminars at present GTU has a very large pool of more than 6800 trained faculty, who have been trained and made aware about the basics of IPR & Patents in particular and also for the basics of patent search methodologies.

GTU is one of the most IP-literate universities in India. GTU IPR cell has successfully supported students / innovators to file more than 100 patents at Indian Patent Office under GTU SSIP IP policy. Under SSIP scheme, GTU has screened nearly 374 projects and approved 168 projects to provide financial assistance for patent filing, design registration and trademarks. GTU IPR cell runs two IPR courses which are Post Graduate Diploma in IPR (PGDIPR) and IP valuation and management certificate course (IPVM). 13 students from PGDIPR course have cleared the Indian Patent agent exam 2018.

PDPU Innovation and Incubation Centre

Pandit Deendayal Energy University (PDEU), formerly known as Pandit Deendayal Petroleum University, was established by the PDPU Act, 2007; Acts of the Gujarat Legislature and Ordinances promulgated and Regulations made by the Governor, in the State of Gujarat, India. The University addresses the need for trained and specialized human resources for the energy industry worldwide. It intends to expand students' and professionals'

opportunities to develop an intellectual knowledge base with leadership skills to compete globally.

PDPU Innovation and Incubation Centre (PDPU IIC) is the incubator at PDEU established in 2014. The Centre was formally established in 2017 u/s 8 of Companies Act, 2013, with a vision to provide support and service to innovators and entrepreneurs who aim to create a social and economic impact in the society through innovative solutions to existing problems. PDPU IIC has also been approved as “NIDHI Technology Business Incubator” by Government of India. It is recognized as Nodal Institute by Industries Commissionerate (IC), Govt. of Gujarat. It also avails funding support for its incubated start-ups under Student Start-up and Innovation Policy (SSIP) by Education Dept., Govt. of Gujarat.

Lets Hack- COVID Edition- 2020

PDEU and PDPU IIC organized Let's Hack 4.0, a 7-week long in-house hackathon, from 21st May, 2021 to 10th July, 2021, to inspire the students to ponder on the challenges, bring out novel solutions and further contribute to the society in the areas of Energy storage System and Electric Mobility for a sustainable India. GCCI was one of the 7 partners for the hackathon

**99 Teams | 519 Participants |
63 Shortlisted Problem Statements | 57 Mentors
| 29 Jury Members | 7 Partners**

1800+ Applications Received
20,000 sq. ft. Infrastructure
110+ Events Organized

Investor Connect- June-2021

PDPU IIC organised an Investor Connect Event under the guidance of Industries Commissionerate, Govt. of Gujarat, to connect growth stage start-ups of Gujarat, with some esteemed early stage investors. The event was organised in partnership with Gujarat Chamber of Commerce and Industry (GCCCI), National Stock Exchange- Emerge, TiE Ahmedabad, and GVFL Ltd.

**250 Start-up Applications | 50 Start-ups
Shortlisted | 7 Start-ups in Finale | 7 Investors |
4 Program Partners**

120+ Start-ups Ideas Incubated
70+ IPR Applications filed
18000+ Students Sensitized

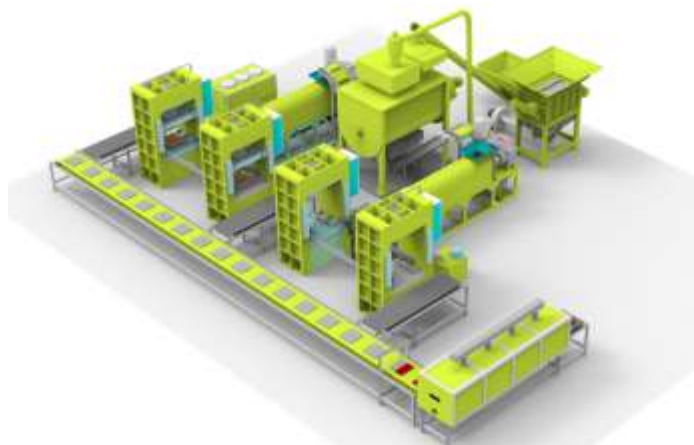

PDEU was listed in top 6 to 25 in 'Private/Self-Financed Universities Category (Band A)' in **Atal Ranking of Institutions on Innovation Achievements (ARIIA) Ranking 2020** by MHRD, Govt. of India

Start-ups Incubated at PDPU IIC

1. Saltech Design Labs Pvt. Ltd. (Recycler):

Founders: Aditya Shukla, Sudhir Shukla, Yogesh Sharma

Saltech Design Labs Private Limited established in 2018 is a Start-up incubated at PDPU Innovation & Incubation Centre, founded by Mr. Aditya Shukla, Mr. Sudhir Shukla and Mr. Yogesh Sharma. The company has developed a patented technology driven recycling process which converts post-consumer used mix unrecyclable plastics & industrial (after use mineral/aggregate/ash/C&D waste) into polymer

composite building materials. This sustainable material is recycled from recovered waste and is better in performance compared to cement concrete in precast applications such as block, brick & tiles used for pavements, walls & roads.

They specifically target the low-cost affordable housing segment to alleviate the high construction materials and labour costs with new composite materials and factory-made precast products (reducing labour intensive works at site) which are both price competitive to concrete products and has wide range of applications in construction & infrastructure segment.

Their precast products are eco-friendly, lightweight,

double in strength, highly durable, water resistant and fire retardant and 100 percent recyclable, as compared to conventional concrete products.

The start-up is a National Award Winner in Affordable Sustainable Housing Accelerators-India-2020 by Ministry of Housing & Urban Affairs, Govt. of India

They have filed 2 patents in India of which 1 has been granted. They have also filed for 5 International patents.

Contact Number: +91-7405898105/8347327815

Website: www.saltech.co.in

2. Seaveda Biotech Pvt. Ltd.:

Founders: Dr. Krishna Kanta Ghara, Dr. Anshu Kumar

Seaveda Biotech Pvt. Ltd is a Start-up founded in 2019 and incubated at PDPU Innovation & Incubation Centre, founded by Dr. Krishna Kanta Ghara and Dr. Anshu Kumar. It works for designing, developing and demonstrating the Super Absorption Biopolymers Sheet, Bioplastic and Superb Absorber sheet and their application in the healthcare and pharmaceutical industry for providing innovative solutions for critical medical care.

The core products of the company are made with the use of one main component, i.e. seaweed. It is an algae found in seas and oceans, which has a huge potential and can be used in numerous sectors such as food, pharmaceuticals, textiles, cosmetics and more.

The four core products of Seaveda Biotech are:

- **Textile alginate:** It is used in the textile industry during the printing process especially for cotton fabrics. At present, the textile alginates being used are chemical based and are imported from China. Seaveda has created a textile alginate from seaweed wastes, which is a domestically produced eco-friendly alternative.

- **Dental alginate:** This product is used for manufacturing dental molds from seaweed wastes.

- **Super Absorber Bio-Polymer (SABP):** This is a super

absorbent polymer which is completely biodegradable as it is made out of seaweed. This can be used as the absorbent layer in sanitary napkins and diapers. At present the absorbents being used are non-biodegradable, chemical based.

- **Cosmetic ingredients:** Seaweed has a lot of components which are good for the human skin. Therefore, Seaveda is using it to manufacture cosmetic products.

S V Innovation Foundation - KSV

Vision:

“To create world class eco system for Innovation and Start-ups that will foster the holistic development of students, budding entrepreneurs and grass-root innovators to cater the need of the society in most economic and ecological manner”

Enterprise building is one of the critical areas of development of any country. This not only builds economy of the country but also creates employment opportunities. This can be achieved by way of providing handholding support to the first generation entrepreneurs by helping them to set up their own micro & small enterprises. The Training cum Incubation aims to impart training in the manufacturing as well as services sectors for employability and entrepreneurial skill development.

Sustainable employment generation using flexible, cost effective and replicable model

Optimal use of locally available resources.

Integrated support by way of providing hands-on training on working projects

To boost the development of small enterprises

Practical on-the-job training on low cost machines & equipment which are:-

- Easy to understand
- Easy to operate
- Easy to transfer
- Easy to maintain

Incubation Centre

I personally believe incubation center has following broad roles:

- Incubation is a dynamic process of business development.
- Incubators nurture young firms, helping them to survive in their early stage.
- Incubators provide:
- Infrastructural support i.e. office space, meeting room
- Platform to do networking
- Management assistance
- Other support services, specific to incubators

S V Innovation Foundation Initiates (SVIF)

S V Innovation Foundation initiates, hosts and nurtures the incubator to help it attain full form and maturity. This could be an academic institution or a funding institution like an angel group or a corporate firm. The critical role of the head of nodal institute is to create mechanisms and linkages between the incubator; potential clients – start-ups & wannabe start-ups; experts in different areas who can support start-ups; and funding organizations

Funding organizations –

There are two kinds of funding organizations that SVIF cares about and will require to build successful relationships with –

- i) Institutions that will fund the development of the incubator as an organization e.g. DST, DBT, SIT, MSME, corporate sponsors, World Bank...
- ii) Institutions that will help develop seed fund (early-stage capital) for the start-ups incubated at the incubator include DST, TIFAC, banks, angels, venture capital firms.

3. Start-up teams

'What goes in - comes out', this certainly holds good for the success of an incubator. An incubator has to continually strive to produce more and more successful entrepreneurs. This will require not only that they have a good pre-incubation support and/or robust selection process. It also calls for strong integration with sources of entrepreneurs (with the right profile) to find the best people to incubate.

4. Community resources

Entrepreneurship is a tough sport and unique in that there is no right or wrong approach. So an incubator can never hope to have all the knowledge, information and skills that its start-ups will need, in-house. By necessity then the incubator has to strongly tap into the knowledge, skills and network resources of entrepreneurs, investors, professionals, consultants, service providers, vendors, interns and others. A critical strength of the incubator lies in its 'usable' expert network – great bunch of people with relevant expertise who are enthusiastic and available to offer regular advice, guidance and create further access to outside resources for the start-ups.

All of the above are linked together by the team SVIF that builds effective policies, organizational processes and programmes to enable an incubator to thrive. No matter what the combination of groups that come together to start an incubator it would be necessary for them to mutually evaluate if they are indeed symbiotic in nature and can create strong value for each other. The goals of incubation centers should be strongly aligned and clear expectations have to be set upfront to enable success.

Success of SVIF

1. University involvement:

Success of incubator depends on availability of graduates, access to R&D facilities, and environment of intellectual creativity. SVIF is promoted by SVKM which runs one of the most reputed and established universities, Kadi Sarva Vishwavidyalaya

2. Collaboration & networking:

At SVIF we strongly believe in networking between

industries, universities, research institutions and incubators to provide mutual support & encouragement

3. Experienced incubator management:

At SVIF we render continuous support, coaching, mentoring and motivation for start-up companies

4. Conducive business environment:

At SVIF we practice conducive business environment to incubate and try to embed the values of corporate and eminent organizations

5. Linking business & technology:

At SVIF we believe linkages constitute important channels for distribution of knowledge and tools for business success. We try to connect with institutes of eminence in and around Gandhinagar. We have also developed connect with Founder Institute one of the largest Startup and Technology Accelerator.

Thrust areas for Incubation at KSV

Some identified areas- Center for Excellence

1. Environment and Climate Change
2. New and Contemporary Business Avenues
3. Emerging Technologies
4. Social Innovation/ Social Entrepreneurship
5. Software and ICT enable formats, IOT, Machine Learning, Deep Learning, Big Data and Analytics
6. Education pedagogy innovations
7. Agriculture in line with Organic Liquid Fertilizer, Hydroponics and Precision Farming
8. Solid Waste Management
9. Energy(Conventional/Non Conventional)
10. Entrepreneurship

Start-up visited GCCI:

1. Greemany Industries LLP-Founders: Mr. Dimpesh Gupta and Mr. Kalpan Kacchadiya- Organic Liquid Fertiliser and Handicraft from Banana Pseudostem Fiber
2. EV Plus Private Ltd- Mr. Sachin Panchal- Product-BLDC motor for Electric Vehicles

Ganpat University Incubation Centre

Ganpat University is one of the most trusted and innovative contributors in imparting quality Higher Education in the state. The University was established by the State Government by enactment of Act No.19/2005 on 12th April, 2005. It is approved under section-2(f) by the University Grants Commission (UGC). In consideration of its contribution to the Education in a short period of time, the University has been given Permanent Membership of Association of Indian Universities (AIU), New Delhi besides having a membership from Association of Commonwealth Universities (ACU), UK. It is worthwhile to note that the University is purely a philanthropic initiative with a Mission of '**Social Upliftment through Education**'

The University prides itself for several initiatives which has given unique learning opportunities to the students in the state as well as brought laurel to the State also viz., B.Tech. in Marine Engineering (approved by DGS), M.Sc. in Mobile Applications, M. Tech. in Embedded Systems and VLSI Technology in collaboration with eInfochips, MBA in Pharmaceuticals Management, BBA & MBA in Capital Markets in association with National Stock Exchange, B. Tech. program in Cloud Based Applications, Mobile Applications and Big Data & Analytics in collaboration with IBM and several such initiatives across its area of operations to prepare relevant manpower for industries growing worldwide. In furtherance, kindly note that the University has been among those few Universities in the State who could successfully implement Industry-Oriented education model with live collaborations.

GUNI at Glance:

- Recognized University under Department of Scientific and Industrial Research (DSIR)
- Member of International Association of Universities (IAU)
- Member of Federation of Indian Chambers of Commerce and Industry (FICCI)
- Member of Confederation of Indian Industry (CII)
- Member of Associated Chambers of Commerce and Industry of India (ASSOCHAM)

Ganpat University

॥ विद्यया समाजोत्कर्षः ॥

- Govt. of Gujarat Approved Start-up Nodal Institute Incubations at GANPAT UNIVERSITY; (henceforth referred to as **Ganpat University Incubation Centre**) is set up to promote innovative idea, enhancement of existing processes and entrepreneurship by converting and translating technology ideas and innovation in various disciplines of different faculties under GUNI into products, processes and services for commercial exploitation and the benefit of society to accomplish its goal.

One who has started their business and is yet to be established to take it to the next level. This can be initiated by one or group members including employees, students, local entrepreneurs and/or alumni of Ganpat University.

Level-III: Growth Acceleration (Tarun)

Any business which is already set up and established and generates an early stage of revenue. This can be initiated by one or group members including employees, students, local entrepreneurs and/or alumni of Ganpat University.

Objective of the GUNI- IC:

Key objective of GUNI-IC is to create a holistic ecosystem to promote entrepreneurship.

Create a support structure to handhold and encourage first line enterpriser.

Providing continuous mentorship to the incubates or enterprises enrolled with GUNI - IC.

Key Statistics of GUNI - IC:

- 300+ start-ups mentors
- 62+ start-ups incubating at industry scaled
- 118+ Students Start-ups
- 24000+ Students were Sensitized for start-up and innovation
- 350+ Jobs Created
- 160+ Student Internship Created
- 12 Patents filed by start-ups
- 2.1+ Crores Free Fund Raised for start-ups
- 8.8+ Crore's revenue Generated by start-ups

- 5 Crores Private Fund Raised by Start-ups
- 3.75 Crores Venture Fund Created by Ganpat Biznovation Private Limited (an arm of GUNI-IC)
- 300+ Awareness Programs organised

Policy Support

1. Start-up and Innovation Policy - Industry Commissioner Office - GoG
2. Student Start-up and Innovation Policy - Department of technical and Higher Education GoG
3. Centre for Entrepreneurship Developments
4. Support for Entrepreneurial and Managerial Development of MSMEs through Incubators – MSME
5. MoE's Institute Innovation Council (MoE IIC)

FotonVR

Founder and Co-founder

1. Mayur Patel

Mo: 9925220978

Email: mayur@fotonvr.com

2. Vijay Thakkar

Mo: 8000919100

Email: vijay@fotonvr.com

Product Description:

FotonVR set up VR labs in schools, that provide facility of science experiments in virtual labs and immersive way of learning science using virtual tours.

Today, educational institutes are increasingly using technology to make learning more interactive, fun, and exciting. In the era of digital devices, technology gives us an opportunity to enable better learning for students and enabling Virtual Reality (VR) in education seems to be the next step in this direction.

Even when it comes to science subjects, teaching should not be limited to textbooks and visits to the labs. It is important to enable students to not only read books, but also interact with it.

fotonVR has created almost more than 500 virtual tours, there fotonVR has developed a supported platform which makes them able to provide VR

content in multiple regional and foreign languages like English, Hindi, Kannada, Gujarati.

To eliminate mugging up and help children understand the fundamental concepts better, four friends - Vijay Thakkar, Mayur Patel, Mehul Patel and Dhaval Sonpal started FotonVR, an edtech start-up, in December 2017. The start-up recently won an award at the National Conference in e-Governance of India and has been awarded the Best Start-up of Gujarat Award by the CM of the state in 2018.

Based out of the incubation centre of Ganpat University in Mehsana district of Gujarat, fotonVR facilitates practical experiments in the virtual world. For schools, fotonVR provides a turn-key solution that includes the hardware, setting up the classroom, software, content, and training to the teachers.

MUVR Technology Private Limited

Name of the founder: **Suresh Saradva**

E-mail Id : suresh@muvr.in

Contact Details: (O) 079-48004848 (M) 9227209107

Address - 506, North Plaza, Visat – Gandhinagar Road, Motera, Ahmedabad – 380005

Product Details:

Mentors of The GCCI Mentorbox

Hemant Shah

35 + Years' experience

Current Business Interest

- Logistics
- Garments
- Oleo chemicals

Mentorship Core Area :

- Setting Up manufacturing units
- Finance
- Technology

Pathik S. Patwari

MBA, B.S. - Industrial Chemistry

Professional Career:

- Director – NEXUS Infratech Pvt Ltd - Manf. & Exporter of Roofing and Pre-Engineered Structure
- Director – NEXUS Pharmachem Pvt Ltd – Manf. of APIs
- Director – Austar Technologies Pvt Ltd – Manf of HVLS Fans
- Director - David-Nexus Infratech Pvt Ltd, KENYA

Mentorship Core Areas:

- Engineering
- Manufacturing and Scalability
- Strategy & Market Development
- Diversification
- Connecting with respective industry for pilot to large scale

Amit Parikh

Qualification

- B.E. (Mech) L.D. College of Engineering
- Diploma in Management Study (AMA)
- Diploma in Train The Trainers Programme

Professional Career

- 30 years' experience in Industrial Sales, International Trade as Exporter and Advisor
- Director : Harmony International- International Trade Advisory Company
- Founder : Amity International - Merchant Exporter
- Founder : Skill for Transformation - A Philanthropic Initiative for Students

LinkedIn Profile: <https://www.linkedin.com/in/amit-parikh1/>

Mentorship Core Area

- To Advise and Help Start-ups to Export Their Product and Services in International Market
- Advisory for Domestic Marketing
- Connecting with Respective Industries for Pilot to Large Scale Manufacturing
- To Arrange Industry Visit for Practical Training and Problem Solving

Dr. Aasit Shah

Multiple Award-Winning Entrepreneur with 20+ years' experience leading & managing teams in the fields of Design & Technology

- MD, eQuinox House of Art, Design & Films
- Hon. Doctorate in Art & Design from University of Azteca
- Masters in Computer Science from USC, Los Angeles
- Bachelors in Computer Engineering from DDIT, Gujarat
- Mentor & on Start-up Scrutiny Committee of GUSEC, IIM.CIIE & LJ Knowledge Foundation

B.Com.- L J. Commerce College
Diploma in Plastic - CIEPT
Co-Chair –Youth Wing, Gujarat Chamber of Commerce and Industry

Professional Carrier

- 20 years' experience in manufacturing & sales of industrial products like Filter Press, Glass Lined Reactors
- Managing Director: Sachin Industries Ltd, Manufacturer of Glass Lined Reactors & Filter Presses
- Managing Director: Stork Kaumil Equipment's P. Ltd. Manufacturer of Belt Conveyors & Screw Conveyors
- Committee Member: Vatva Industrial Association

LinkedIn: <http://linkedin.com/in/kaumil-patel-7a2630ab>

Mentorship Core Area

- Manufacturing Engineering sector
- Product development

RV Darshan Patel

Managing Partner: B J Patel & J L Shah
Partner: Saksham Insolvency Resolution LLP
Founder: CodereX Foundation

Qualification:

- Fellow Chartered Accountant, DISA (ICAI), DIRM (ICAI) and Bachelor of Commerce
- Insolvency Professional (IBBI): Practicing for IBC, 2016
- Certified Arbitrator: Domestic and International Arbitration matters.
- Registered Valuer: Securities or Financial Asset Class: (IBBI) Shares, IPRs, Business

Professional Experience:

2 Decades of experience in the field of Project financing, Risk assessment and management consultancy, Accounts, Income tax, Corporate Audits, Government Audits, Systems audits, Internal & Concurrent Audits, Mergers and Acquisitions, Indirect tax, etc. Currently committee Member: GCCI, Legal and IPR Committee 2020-21.

LinkedIn: www.linkedin.com/in/rv-ca-darshan-9825160160

Mentorship Core Area:

- Start-up Valuation-how to create value by a start-up. Mentoring for Valuations.
- How to prepare for Private Equity by IPRs, Business Model and Valuations.
- Start-up Structure and legal consulting including Taxes and registrations.

Details of Start-ups Registered in The GCCI Mentorbox

Sweven Organic Foods LLP
Founder Name: Meet Joshi
Contact No: 9879596049
E-mail: josmeet@gmail.com

We at sweven organic are on a mission to revolutionise the beekeeping practises to help protect the endangered native honeybees.

Currently beekeeping is practised in traditional methods and scattered and operated by farmers and tribals these traditional methods hammers the bees and its ecosystem. increase in unethical practice for commercial beekeeping including usage of antibiotics and sugar feeding excessive use of pesticides while farming has led to reduction in the bees populations by 50% on average annually. Where these bees contribute up to 80% of the pollination of the foods we consume.

We aim to bring enhance ethical beekeeping practises which can bring original honey to the masses direct from beehives to homes by protecting the bees through our Revolutionising bee keeping practises

We have developed a smart system that protects bees and supports the life cycle in its ambient environment. The user, the end consumer can own the bee hives and live monitor parameters of the hives and its where abouts.

Our venture intends to train and educates the farmers and tribals with ethical bee keeping with our unique approach and consumers are assured and are part of the entire eco system. These leads to awareness and brings the sense of responsibility towards Mother Nature. Our solution contributes to green revolution naturally.

Bebe Burp
Founder Name: Shruti Tibrewal
Contact No: 7211116664
E-mail: enquire.bebburp@gmail.com

Bebe Burp modifies grandmas secret recipe to make healthy organic and natural baby food that does not contain any preservatives and artificial flavors. We are manufacturing baby food by following traditional grandma's recipe and helping to solve the lack of availability of the healthy food options in the market by fulfilling the dietary needs of the little ones.

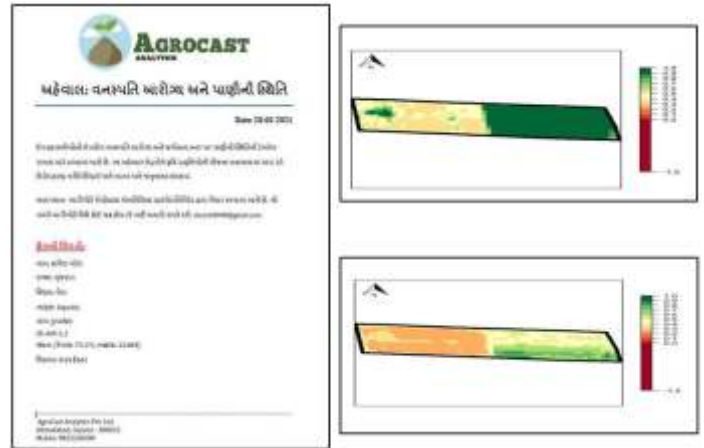

AgroCast Analytics Pvt Ltd
Founder Name: Dr. Harsh L. Shah
Contact No: 9825236598
E-mail: sharsh4949@gmail.com

AgroCast Analytics Pvt Ltd is an agrarian forecasting and analytics firm. We provide precision farming information for efficient farming practices. Our value proposition includes providing timely and usable information about soil moisture/water conditions, and crop health in the local language. This information help farmer to schedule farm activities. Our service has far-reaching implications for both the upstream and downstream members of the agricultural value chain. We aim to provide effective and affordable knowledge solutions to the farming community, partners, and government organizations. Using our solution, farmers can increase crop yield, optimally

utilize farm resources and reduce the risk of crop failure. AgroCast firmly believes to empower farmers by providing new edge technology access and help them to increase crop yield in minimum farm resources. Our vision is to contribute to the sustainable growth of the country.

Apart from the Agriculture sector, AgroCast provides consultancy services in Water Resources and Climate risk sectors.

Exposit Immersive Solution Private Limited
Founder Name: Roshan Rawal

a) Hire Creators for Events, Influencer Campaigns and Content Projects, b) Data-Driven Campaign Management System to onboard, manage and measure performance of tens of hundreds of creators in a campaign

2) Creators Community & Productivity Tools:

a) Community Forums and Content Platform for Media Stakeholders, b) Productivity Tools for Creators to Manage Social Media, Leads, Revenue & more

Journey So Far:

While in the third year of college (UG) at this point in time, I have been successfully running the startup since 9+ Months approx and Till date, have made ₹35L in revenue, developed the Tech-Prototype and Won Several Awards and Grants from the Government of Gujarat.

Not only On-boarded 2500+ Artists but also did transactions with 320+ Creators and worked with production houses like T-Series, Saregama Music, Zee Studios, Zee Music, Etc. in the process. Partnered with 450+ Celebrity artists in various initiatives and served brands like Tinder, Unacademy, HP, etc. for their Influencer Campaigns.

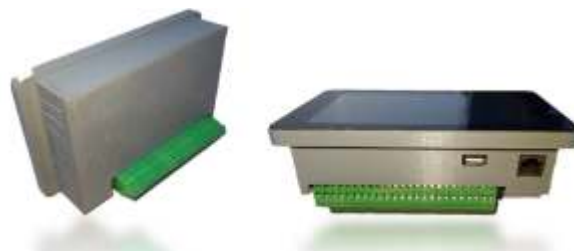

Neerx Technovation Pvt Ltd
Founder Name: Nikita Tiwari
Contact No: 7587475572
E-mail: neeragriventures@gmail.com

NEERX has a vision to help mitigate climate risk and crop management challenges to improve productivity and reduce agri-input cost through intelligent agri iot platform that can easily address problems like water scarcity, salinity management, crop growth & pest management. SHOOL has provided alternative to costly foreign based solutions whereby the cost to consumer is less than 70% of foreign and Indian counterparts. SHOOL is cost effective and can support farmer income by 1.5x in the first year of purchase. The combined effect can in turn be seen as boost in agri GDP by 20-30%. To provide precision practices and improve the life of 10000s of farmers, NEERX has provided systems & support to various institutions and govt. such as 1. Indian Space Research Organization (ISRO) 2. Banaras Hindu University, Varanasi 3. Odisha Space Application Centre(ORSAC) 4. Anand Agriculture University and Navsari Agriculture University (Gujarat) 5. Birsa Agriculture University(Jharkhand) 6. Karnataka, Telangana and Tamil Nadu govt and institutes 7. NBFCs 8. Agro-input companies Case Study: One of our major milestone case study in the harshest climate, whereby farmers in Jaipur successfully grown Organic Strawberries with insights delivered from SHOOL. They have seen improved resource utilization cutting down water by half, prevention of critical pest risk which could have damaged more than 50% plants and tackling extreme weather conditions with proper planning.

Enerzon Automation

The Roundumbrella Co.
Founder Name: Shivani Chakrachhattri
Contact No: +91-8291261989

We are an ed-design start-up on a mission to bring design thinking in K-12 education with physical games and toys. We are building a series of 'learning to learn' tangible toys for experiential learning based on the pillars of

design thinking. We launched our first game internationally on a crowdfunding platform and the game is called as 'Bulby for Kids' which is an ideation game based on light and shadow. Roundumbrella toys are universal. Our games bring a smile of creative confidence and cultivates a problem-solving mindset, independent of a child's background, ethnography, upbringing, or schooling. For example, Bulby for kids is based on the concepts of light and shadow. Sunlight is everywhere and we used it as play to form an independent game to further learn concepts of science and design thinking.

Dbello
Founder Name: Menka Gurnani
Contact No: 09909009902
E-mail: hidaalifescience@gmail.com

Filling the nutrition gap with vegan Vitamin D solution - D'bello® The inception of Hidaa Lifescience bears its origin in the sobering reality facing the country, malnutrition and deficiency of essential nutrients. Presently, start-up's mission is to provide natural solution for the un-availability of vegan Vitamin D food to prevent vitamin D deficiency.

We have developed natural rich vitamin D source from mushroom source as well as microbial source. Further we have also developed the technology for the staple food fortification like wheat flour. We have also developed Vitamin D Chocolates, Khakkhara also to reach the mass population and different pyramide of the population. The product is very cost effective and we have created import substitute for Vitamin D2 against chemically derived Vitamin D2.

Brook and Blooms
Founder Name: Yash Bhatt
Contact No: 7874601666
E-mail: brookandblooms@gmail.com

In India, worshipping is the way of living and people offer various offerings to the deities mainly consisting flowers, leaves, fruits, coconuts etc. According to many religious beliefs, flowers that are offered during prayers are sacrosanct and cannot be dumped into the garbage once they've wilted. This is one of the reasons why people prefer to discard them in rivers, lakes and other water bodies. But not many of us think about the fertilizers and pesticides that might have been used to grow these flowers, which then mix with the water and pollute it. We have solution in which flower waste collected 86 religious sources and by means of a special recycling cycle, we converts these flowers into organic and extremely nutritious fertilizer, Herbal incense stick and coco peat mixture.

Algallio Biotech Pvt. Ltd
Ameer Patel / Anupama Mishra
**Contact No: 9879311365/7226097733/
 8154026702**

Sayali Patil
E-mail: sayalimpc@gmail.com

Our Start-up focuses on reducing the operation cost of an Aluminum foundry to make them cutting edge and competitive locally and globally. 80% of operational cost of an Aluminum foundry goes into furnace which is used to melt Aluminum. Thermotronix has designed a unique furnace which runs on agricultural waste and is at par performance wise with the traditional furnaces used currently in the market. The overall cost of melting with our design is far lower than the traditional furnaces (Diesel, Coal, LPG, CNG and Electricity Powered). In addition to that, the use of agricultural waste reduces the overall pollution and helps in mitigating potential issues with Pollution Control Board (PCB). Our design incorporates advanced features such as automatic ignition, fully automatic continuous operation and waste heat utilization which results in greater fuel economy and efficiency.

LymbEdge Healthcare

Founder : Sarika Chitrodiya

Contact No: 9558067736, E-mail: ptlsarika5@gmail.com

It aims at providing reliable, technologically superior prosthetic and posture control products with technical support to maximize benefits to the clients in India and neighbouring countries. They have a team of proficient and skilled experts who are dedicated into the services with a rich experience of research and application.

LymbEdge Healthcare manufactures a medical devices includes two devices

1) Myoelectric Hand: It is designed and developed for the amputee/disable person. It works on the human sensation signals known as Electromyogram. This device is under product validation stage. We have tested this device on more than 20 patients.

2) CPM Machine: This device useful for post-surgery patients, particularly for patient operated with limb surgery. This is used to reduce muscle stiffness caused after surgery. This is portable and battery operated.

Investing In Start-ups – An Opportunity

Nehal Sheth,
Chartered Accountant and
Member, Start-up &
Innovation Committee

Start-up goes through various evolution stages. First comes the ideation stage. In this stage there is brainstorming and Idea generation. This is a crucial stage as more research helps make an idea stronger. Next comes the concept stage. In the concept stage an entrepreneur creates the minimum viable product and speaks to actual customers. Speaking to customers is the backbone of developing a good product. Then comes the commitment stage. In this stage the Entrepreneurs forms a company, develops the product and starts giving it to the client. Then come the validation stage. In this stage the startup is in the market and it demonstrates an increase in user base and growth in revenue. In this stage key performance indicators are also measured. Following this comes the scale up stage where addition of team, team building and capturing the market share takes place. Finally comes the establishment stage. In this stage there is consolidation of the market share and there is a potential exit happening throughout growing. A Start-up needs funds at various stages. There are different kinds of funding at different stages and the stage at which a Start-up is, defines the kind of funding it will raise. So, the ideations stage is also called the pre seed funding. Funding starts at 10,000 USD and goes up to 60 million USD and beyond. A start-up can raise pre seed funding between 10,000 US dollars to 500,0000 USD. In the Angel seed funding the value goes from 500,0000 USD to 2 million USD.

Then comes the series A funding which is 2 million dollars USD 210 million USD.

Now the question comes, why should one invest in start-ups? Investing into start-ups is the next big thing. No other asset class can give great returns going forward as compared to investing into startups. It is low in interest rates and high stock market valuations. You must diversify your portfolio. Like earlier times Angel investment is no more a territory of the super-rich. One can become an angel investor with a very small investment of even 5 to 10 lacs. For people who are interested in mentoring start-ups, this is one of the biggest opportunities as they can learn a new business investing into start-ups. When startups are young, it is a big opportunity in itself because start-ups grow many folds. One can also stay tuned to the latest technologies. There never is recession in start-up funding. With Make in India, Start-up India, there is a pro entrepreneurship regime. This will help build entrepreneurship and India can become at par with other successful Nations who are leading in the entrepreneurial ecosystem. By investing into entrepreneurs of India one can help build the nation. This is one of the biggest things that one can do for job creation and this will lead to great economic growth of the country. Now, the next question may be: how is it

possible to source good ideas? Well, be in touch with friends and relatives, may be someone could have an interesting idea. Get connected with different incubators in your city or state. You can also become a part of Angel networks and Angel funds and you can also collaborate with other venture capitalist firms.

There are many online startup platforms on which best start-ups register. But the most important part is network and be a part of the startup ecosystem so that you are aware of the new startups that ready for investments.

Start-up Terminology made easy – Top 20 terms you should know

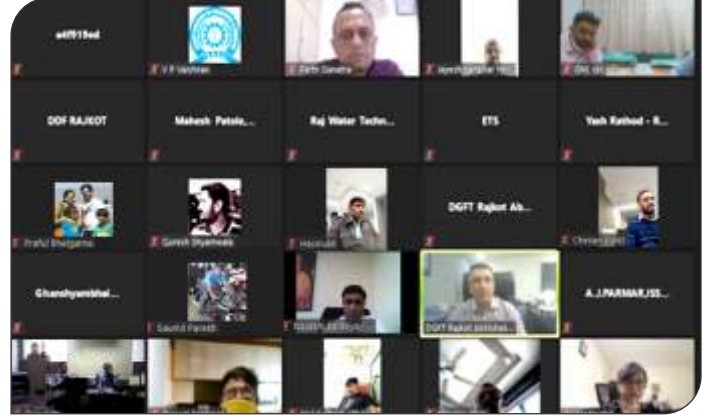

Sr. No.	Term	Meaning
1	Angel	Early stage investors
2	VC	Funds for investing in start ups
3	Seed	First Investment Round
4	Series A, B, C...	Later round investments

Naroda Industries Association

World Environment Day Celebration

Naroda Industries Association has celebrated World Environment Day on 5th June by carrying out

plantation on two unutilised plots. These plots were earlier used by industries to dump debris. We have cleaned and levelled these plots. On one plot, we have planted more 1000 oxygen generating trees and named it". The plot is named as "Ayur van" where only ayurvedic plantation will be grown. And second plot named as "Krushna Van" where saplings of Neem, Vad, Peepal, Kanji etc. Other than these plots, we have covered almost all unutilised areas of Naroda Estate with plantation. We have also done geomapping of trees in Naroda Estate in the year 2020.

Blood Donation Camp - Dt. 18-06-2021

Considering the current situation of medical emergencies, Naroda Industries Association in co-ordination with Naroda Police Station has conducted a Blood Donation Camp at Naroda Estate on 18th June, 2021. We are happy that 52 bottles of blood have been collected by Red Cross Society.

World Yoga Day - Dt. 21-06-2021

International Yoga Day has been celebrated at Naroda Industrial Estate and a workshop on "Health and Happiness" and Yoga session has been conducted under the guidance of yoga instructor Shri Dineshji and Smt. Shakuntalaben.

Vatva Industries Association
