Greetings from Gujarat Chamber of Commerce and Industry (GCCCI).

Dilip M. Padhya
Secretary (R)

Sir, we greatly appreciate the measures taken by Government of Gujarat for controlling the spread of the COVID-19 epidemic. GCCCI has also been playing its part as the apex trade and industry body and is undertaking various initiatives for supporting the policemen, doctors and paramedics on duty. GCCCI has also arranged training for the paramedical staff on operating ventilators.

Treasurer

Sir, most of the factories have completely closed down their operations as per the guidelines of the government and the entire trade and industry fraternity is highly appreciative and stands strongly by the government's side to combat the deadly disease.

However, the industries and business units need to process salaries and wages of their employees and workers by April 7, 2020 and therefore 2-3 persons from the Finance/Accounts Department need to work in the office for processing the salaries in time.

Sir, it is therefore requested that minimum 2-3 persons per industrial/business unit may kindly be permitted to work during this lockdown period so that the work of salary/wages payment can be completed on time.

We had sent a request letter earlier to Dr. Rahul Gupta, IAS, Industries Commissioner on 30th March, 2020. However, no decision has been taken in the matter till now. The copy of the letter is attached herewith for your kind perusal.

We look forward to your kind intervention and early positive decision in the matter.

With Regards,

Sincerely,

Durgesh Buch
President
