Sub: Request to allow Hotels & Guest Houses to start booking for accommodation.

Respected Sir,

Greetings from Gujarat Chamber of Commerce & Industry – GCCI.

We hope you will find this letter in the best of your health. We thank you for starting Railway & Domestic flights operations in the country as per the SOP declared by Ministry of Health after almost two months of nationwide lockdown.

Sir, in this regard we have received request letter from Saurashtra Chamber of Commerce & Industry, Regional Chamber of GCCI to allow Hotels & Guest Houses to start booking for accommodation. Copy of this letter is attached herewith for your kind reference. Many business persons are travelling to various cities of Gujarat for business purposes and they require accommodation in hotels during their travel.

Further, we would like to mention that separate SOP should also be issued for Hotel Industry to follow before starting their operations. We believe this will increase business of travel and help in boosting economy gradually.

Therefore, we recommend and request your good office to kindly look in to the matter and extend your best possible support in the matter.

With Best regards,

Sincerely,

Durgesh Buch
President
