The Director

Directorate of Industrial Safety and Health (DISH)
Government of Gujarat
Ahmedabad.

Sub: Request to provide clarification regarding the process to be followed in context of the units which have applied for Fire NOC but the same is pending due to want of inspection or other reasons

Respected Sir,

Greetings from Gujarat Chamber of Commerce and Industry (GCCCI).

At the outset, we would like to appreciate the concern of Government in ensuring that the fire safety norms are complied with by the industries and necessary prevention measures are taken in order to mitigate the occurrence of fire.

Sir, as you would be kindly aware, there are a large number of units which have already applied for Fire NOC earlier, but have still not received the NOC after several months due to reasons such as want of inspection. These pending cases need to be processed first before new cases are taken up, so as to avoid undue delays and confusion.

We therefore seek some clarity on the plan to process these pending cases and the further course of action to be taken in such cases.

We eagerly anticipate your early reply in the matter.

With Regards,

Yogendra Trivedi
Secretary General
