Sub: Technology Transfer Interactions during DEF EXPO-2022 at Gandhinagar (18th to 22nd Oct. 22)

Respected Sir,

Greetings from the Gujarat Chamber of Commerce & Industry (GCCCI).

At the outset, we wish to share that GCCCI is an APEX Trade Body, which was established in 1949 and has been very actively involved with its stake holders. With a view to upgrade and scale up MSMEs, GCCCI has launched Technology Transfer and Experts Platforms on 5th May, 2022. The purpose is to bring technology providing organizations and MSMEs on common platform for easy exchange and transfer of the technology.

We have received intimation that DEFEXPO is going to be held at Gandhinagar during 18th to 22nd Oct. 22. On the sidelines of the exhibition, we would like to organize Seminar/Interaction for technology transfer to the aspiring MSMEs. GCCCI will be fully involved in publicizing the seminar and also, its management.

We hereby seek your consent to hold this seminar and would also desire to know list of technologies available for transfer so that suitable participant data base can be organized.

If during seminar, one or more Technology transfer practical demos are made available to us is, we would be interested to show the same to the participants.

Awaiting your positive response.

Thanking you,

Pathik Patwari
President
