Sub: Request for Special Grant from Govt. of Gujarat to help a patient suffering from "APLASTIC ANEMIA"

Dear Sir,

Greetings from Gujarat Chamber of Commerce & Industry.

Gujarat Chamber of Commerce and Industry (GCCI), founded in the year 1949, is the apex trade and industry body in the state of Gujarat representing all cross sections and segments of industry and trade across the state of Gujarat. GCCI has more than 4000 direct members and 200,000 indirect members including various Regional Chambers & Associations affiliated with us.

We have received a letter from M/s. Atmos Power Pvt. Ltd., requesting for financial support for Mr. Sagar S. Maheta as his wife is suffering from one of the rare illnesses "APLASTIC ANEMIA". Though this disease is curable but the cost is very high. As per indication received from concerned doctor his wife may need treatment cost around Rs.50 lakhs.

Unfortunately, PMJAY card has upper limit of Rs. 5.0 lakhs only and is far short of the requirement for the treatment.

We humbly request through your good self that Govt. of Gujarat may consider this case sympathetically and sanction a special grant to meet the cost of the treatment as described above.

We enclose herewith the above referred letter along with necessary reports for your ready reference and perusal.

Awaiting a favourable response.

Thanking you and with best regards,

Yours sincerely,

Pathik Patwari

President.
